Dear Bridlemile Families,

What a great turnout for our STEAM night! Our Beagles have been working hard on their projects, and they were so proud and eager to showcase their classroom learning with you! I love this opportunity for families to see the various STEAM activities that happen across the grade levels.

Also what I love to see is our community spirit! It makes me smile to watch our Beagles rejoice in seeing one another as if they hadn't just been in school together just a few hours earlier!

Thanks for coming to Bridlemile to support our all-school event! Your presence made our STEAM night an absolute blast!

From the Bridlemile PTA: Ready, Tech, Go!

Is your child asking for their own device?
Do they want more freedom online?

How will you know if they are ready?

Join Bridlemile PTA to learn how to make this important decision during the **PTA Connected: Ready, Tech, Go!** event. During this educational event, supported by AT&T, parents and caregivers will reflect on various aspects of screen readiness together, and become familiar with tools and resources that help families determine overall screen readiness.

This event will be on Thursday, April 18th, from 6 - 8 PM in the Bridlemile cafeteria. Free dinner will be available at 6 PM. Free childcare, provided through Champions, will be available from 6:30-8 PM.
