The 11th annual Bridlemile Bike Fest is today! (May 17th, 2:30-4pm) and we need your help to make it happen! Please consider signing up for at least one shift so we can provide the full array of planned activities. The SignUp is here: <https://signup.com/go/PenzDTS>

Happenings include:

- A bike mechanic from Trek will be on site to provide bicycle repair and tuning services,
- Safe Routes to Schools themes giveaway items
- A raffle with bike-related prizes (will start at ~3:45, must be present to win)
- SNACKS!
- The S-L-O-W race,
- Loops around Bridlemile and through Hamilton Park

Ride over to school or drop off your kiddo's bike on the way to school to avoid the after school rush. There is ample bike parking outside the office.

A big thank you to both Trek Bicycle and the Oregon Bicycle Racing Association (OBRA) for their continued support of this event.

Parents and guardians do not need to be present for their kid(s) to participate. If you want to stay and volunteer for a shift there are plenty of options to choose from. If you have any questions please contact David at [steinnet@gmail.com](mailto:steinnet@gmail.com).

## Successful Schools Survey!

At Bridlemile, we use the School Success Survey results to inform our school improvement plan goals regarding school climate and culture. We ask our families to fill out this survey so that we may better support your needs.

Please select Bridlemile from the down-down menu. Families with more than one student in PPS can respond for their eldest student or take the survey more than once.

## School Supplies for 2024-25

Starting next school year, Bridlemile will purchase school supplies in bulk for all our K-5 students. This ensures that students have all the needed materials that the homeroom teacher has requested and that each student has the same items. This will also reduce the cost of supplies for families. What this means is that you don't need to trek to the store or do any on line ordering for school supplies! Avoid the crowds, avoid the hassle! On the first day of school all your student's school supplies will be in the classroom!!

Please consider making a \$35 **donation** per student in your family in order to offset the cost of these supplies. We have had to use a considerable amount of our budget to ensure materials are here prior to the first day of school.

If this donation request would cause a hardship for your family, please note that **payment is not required** in order for your student(s) to receive supplies. All Bridlemile students will receive school supplies.

You are welcome to donate the amount that your family is comfortable with or even consider donating an additional amount on behalf of another student. All donations will be used to pay for,

but not limited to: substitutes, additional supplies, and curriculum materials. Bridlemile's Tax ID donation information is included on the SchoolPay receipt.

You may pay by cash, check (payable to Bridlemile School), or you may also pay electronically through PPS' [SchoolPay](#), set up directly for school supplies.

If you wish to donate to support another Bridlemile family please make sure to write a note in [SchoolPay](#) that the extra funds are intended to cover another family. Thank you for your continued support of Bridlemile.

## Monthly featured book for No Place For Hate

The May monthly featured book for No Place For Hate is *Rose Spoke Out: The Story of a Rose Schneiderman* written by Emma Carlson Berne and illustrated by Giovanni Abeille. The book just arrived at the Bridlemile library and will be shared with grades K-5. The story features themes of hope, making a difference, community, and working together. Rose was a young immigrant who worked in a cap factory in New York City. She saw that women workers earned much less than men and that the factory was cold and dirty. Rose spoke up for better conditions and the International Ladies Garment Workers Union was born. We are excited to share this book with our students this month!

The 2024-25 PTA budget process is underway and our executive board will have a draft, or interim budget for your approval at our May General Meeting on Tuesday, May 21st at 6:00pm. Before we finalize the interim budget, we would like to survey our membership and community, about any potential interest or demand for the return of afterschool programs to Bridlemile. Additionally, we would like to know if our PTA desires to fund scholarship opportunities for any afterschool programs.

Please complete this survey by today May 17th and we will update our interim budget and programming, if necessary.

Thank you for all that you do for our Beagle Community and please email [ptatreasurer@bridlemileschool.org](mailto:ptatreasurer@bridlemileschool.org) if you have any questions, or ideas for the interim 2024-25 budget.
