Back to School/Curriculum Night -Thursday 9/14, 5:00pm-7:30pm

Back to School Night/Curriculum Night: Thursday, September 14th, 5:00pm-7:30pm
Our outline of our in-person Parent Only event is as follows:

5:00pm-6:00pm: Grades K-2 classrooms for teacher presentations and PTA Room Parent presentation.

6:00pm-6:30pm: Opportunity to visit specialists (Speech Language Pathologist, Art, Music, PE, Learning Center, Counselors.) Also, booths by PTA, Foundation, Champions, and more

6:30pm-7:30pm: Grades 3-5 classrooms for teacher presentations and PTA/Foundation Room Parent presentation.

Meet your child's teacher and learn more about curriculum and classroom expectations for the year. This will also be an opportunity to hear from your PTA/Foundation Room Parent.

We will be providing childcare on site through the Champions aftercare program. You do not need to be currently attending Champions aftercare in order to take advantage of this childcare opportunity during Back to School Night. Please email Morgan at CH001372@discoverchampions.com if you would like to sign up for a childcare spot for Thursday, Sept 14th.

Emergency Response Plans

Ask your child about our fire drill practice yesterday. Students did a great job practicing our evacuation procedure. All schools are required to instruct students on emergency procedures for fires, earthquakes and safety threats. We do so with preparation and communication beforehand. Our staff have conversations with students about why and how we practice safety drills and make space to hear and talk through questions and concerns.

We practice [fire drills every month and additional safety drills throughout the year](#). Towards the end of September, we will practice a school Lockdown drill. Lockdown drills and instruction include appropriate action when there is a threat to safety inside the school building to include the method of "lock, lights, out of sight".

Student Rights and Responsibilities Handbook

The 2023-2024 PPS Student Rights and Responsibilities Handbook is now available online via the PPS MTSS Website. You can also find the handbook on our Bridlemile website on the 'Our School' tab at the top of the main page.

Library News-Looking for Volunteers

NEW Library Volunteer Opportunity!

The Librarian/Tech teachers would love support with each library class. Volunteers will help with checking in/out books, reshelfing, assisting students finding books and helping as needed in the library.

[Volunteer in the Library](#)

SignUps are available this week and continue through the year during each class's library special. Look for your student's classroom teacher to see their library time/day and come help in the library when you are available!

Bridlemile Community Outreach

Bridlemile has a community outreach program that works with Bridlemile families and students to identify current needs as well as access school activities and community services.

Bridlemile families in need of assistance can request aid in any or all of the following categories by checking the appropriate box. Only one form is needed per household. Requests should be turned into the front office mailbox of Rachel Reich and Kaitlyn Dove School Counselors or emailed to reich@pps.net and will remain confidential.

Hello from PTA and Foundation Bridlemile Families!

PTA is here to help our community stay connected and to support teachers and staff. Foundation raises money to increase staffing and bridge the gap between what public funding provides and the comprehensive educational experience all of our children deserve. In addition, 30% of what we raise goes to the district to support other PPS schools. To keep us connected, we have a PTA and

Foundation Newsletter which comes out every week. Please bookmark [this link](#), and check back weekly! A copy of the link will always be provided in the weekly Friday Flyer. To stay up to date on all the latest events, to donate, or to find out how you can get involved, visit us on our website: www.bridlemileschool.org

Please feel free to reach out with any questions.
