New Bus Route Check Tool

Because of the severe bus driver shortage, PPS has experienced day-to-day changes with routes on which there is not a driver available. Parents can monitor these changes via a new route check system linked to the main PPS website. Above is a snippet from the website of what to look for. Parents can go to either the Bridlemile homepage [School Website](#) or district homepage www.pps.net and click on the banner or pps.net/routecheck to receive live updates of impacted routes.

FROM THE OFFICE

Student Profile Verification

*******DUE TODAY :)*******

The verification process should not take more than a few minutes and it is very important that we have the most updated information in Synergy to ensure the safety of your student. Only one parent needs to complete the online verification.

Log on to your ParentVue account ParentVue.pps.net Review and update as needed. Be sure you select the YEARLY VERIFICATION tab from the menu.

See [this linked flyer](#) for details.

REMINDER: Please be sure you are using the Bridlemile Office email bridlemile-office@pps.net when sending an absence or dismissal notification in addition to notifying your student's teacher. This is a shared mailbox and is checked by both Dana and Sonja. Thanks!

Dismissal- Car Pick up Queue

Dear families,

We want to thank all of you for your continued support to ensure timely pick up of your kids at the end of each day. Dismissal is going pretty smoothly and we appreciate everyone's efforts! We do want to remind our car pick up families that we do have delivery trucks like Nutrition Services, FedEx, Office Depot, USPS and other vendors as well as other PPS vehicles that will need to pull up to the building on occasion and also for safety we need to keep the fire lanes open during school. If we can keep the parking lot clear as much as possible until around 2:00pm that would be greatly appreciated. Thank you so much for your understanding!

Bridlemile TAG Night

The Bridlemile TAG night will be an opportunity to learn about the Talented and Gifted services at Bridlemile this year and the TAG identification process. This event is for families of currently TAG-identified students, those of students nominated last year, and those who are interested in beginning the identification process for their student.

The TAG night event will be recorded, so if you are not able to attend, or have additional questions, please contact Mr. Stenger at pstenger@pps.net.

Dressing for the weather

Well the cold weather is here, gone are the wonderful days of summer! Please be sure your child is dressed appropriately for the colder days- jacket, hat or even gloves when it gets really cold! (please make sure you label all their outerwear!) It is a good idea to also pack extra clothes particularly for your younger students in case they have a run in with a large puddle!

School Pay

SchoolPay is an online web tool that allows families to pay for items such as registration fees, athletic fees, event tickets, uniforms, library fees and donations without having to make a special trip to the school or send a check with their students. It also provides the convenience of paying by Visa, MasterCard or Discover Card online or onsite.

Parents and guardians, you are able to use one log-in at SchoolPay to see all items available to you. You will also be able to see the payment history for each of your students.

Please refer to the attached SchoolPay flyer for how to create an account and make payments on SchoolPay or visit the School Pay website: [PPS SchoolPay](#)
