This is the place for all current news from Bridlemile school. Please make sure to read your Friday Flyer every week!

## **Bridlemile News**

Dear Bridlemile Families,

We miss our Beagles and are eager to be back together again!

11/20-11/21 Parent-Teacher Conferences will be rescheduled.

We are hopeful for a resolution that will see us return to school soon. When PPS and Portland Association of Teachers reach an agreement, we will have more information regarding rescheduled conferences and how the school calendar will be impacted.

We wish you a safe and peaceful Fall Break. Brighter days are on the horizon.

## Giving Tuesday is Around the Corner!

Happy Thanksgiving Bridlemile Families,

Giving Tuesday is Tuesday, November 28th and the opportunity to maximize our donations to the Bridlemile Foundation is one we do not want to miss out on, this year especially!

With Giving Tuesday around the corner, PLEASE BE SURE TO ASK YOUR EMPLOYER if they support matching fund donations! Companies such as Nike, Intel, Columbia Sportswear, Adidas and many

others support matching donation programs and offer convenient payroll deductions. Most companies have a specific portal they require donations to be made through which then get matched with a check cut in their matching amount to our school too! THIS MAKES YOUR MONEY GO EVEN FURTHER!

<https://bridlemileschool.org/donate>

If you are not associated with a company that matches your donations, please consider joining the Circle of Giving, where a small monthly donation makes a huge difference!

<https://bridlemileschool.org/donate>

The Bridlemile Foundation is dedicated to providing funding to our school to supplement staffing through its Circle of Giving campaign. Essentially, we raise money to hire teachers and/or staffing support our school desperately needs that PPS falls short on funding for us. We know that PPS falls short on our teacher's needs now more than ever! We suggest a recurring donation of \$20/month, but a donation at any level, big or small, makes a huge difference. There is an opportunity to donate a one-time payment as well. This money helps to bridge the gap between what public funding provides and the comprehensive educational experience our children deserve. It is SO IMPORTANT and everyone working together to contribute a small amount makes a difference our kids are able to see and feel Every. Single. Day!

Feel free to reach out with any questions!

Warmly,  
Lindsay Sadler
