### FROM THE OFFICE

- **Moving??** If you are moving or will be attending a different school next year, please let the office know as soon as possible; staff are currently working hard on class placements for next year and it helps the process to know of any changes in advance. Thank you!

## FROM THE NURSE

End of year medication reminder: Medication checked in at school must be picked up by the parent or be destroyed at the end of the school year per district policy. If you have medication(s) in the office for your child that you feel are no longer needed for the remainder of the year, please stop by the office as soon as possible to pick up; this will help us greatly!

Thank you!

## COUNSELOR'S CORNER

## Lincoln HS Youth Baseball

Lincoln Youth Baseball is looking for more Kids to play AA Baseball!

This is for 2nd graders OR 3rd graders who haven't played before.

In AA ball there is a mixture of pitching machines, coach pitch, and player pitch. As always, the emphasis is on fundamental skills, including pitching, and the players begin to develop the ability to hit competitive pitching from an opposing player. Typically the season begins with machine pitch with a transition to player pitch as the season progresses. The season starts in April and goes through mid-June. AA Teams usually start with 2 practices per week and then as games get into full swing, practices may be just once per week. Games are typically played 2x per week.
