## MESSAGE FROM THE PRINCIPAL

Dear Bridlemile Community,

For the fifth straight year the Bridlemile Site Council (a school improvement group made up of parents and staff) has created a parent survey. The survey is designed to gather parent feedback in the areas of academics and school climate. The data collected from the survey is a valuable tool that helps us determine areas that are going well and areas where we need improvement. Last year, we received a lot of positive feedback and also were able to address some areas of concern.

**The survey opens today and will close on May 27, 2019.** Please take the time to fill out the survey for each child you have that attends Bridlemile. Just click on the links (versions in English and Spanish) below to complete the survey. We know we have a wonderful school but there is always room for improvement. Thank you in advance for your participation in our school survey. We really do take your feedback into consideration and make adjustments to our program.

Español: <https://www.surveymonkey.com/r/H82NS2B>

Sincerely,  
Brad Pearson  
Principal

## FROM THE NURSE

End of year medication reminder: Medication checked in at school must be picked up by the parent or be destroyed at the end of the school year per district policy. If you have medication(s) in the office for your child that you feel are no longer needed for the remainder of the year, please stop by the office as soon as possible to pick up; this will help us greatly!

Thank you!

### **Youth Baseball**

Lincoln Youth Baseball is looking for more Kids to play AA Baseball!

This is for 2nd graders OR 3rd graders who haven't played before.

In AA ball there is a mixture of pitching machines, coach pitch, and player pitch. As always, the emphasis is on fundamental skills, including pitching, and the players begin to develop the ability to hit competitive pitching from an opposing player. Typically the season begins with machine pitch with a transition to player pitch as the season progresses. The season starts in April and goes through mid-June. AA Teams usually start with 2 practices per week and then as games get into full swing, practices may be just once per week. Games are typically played 2x per week.
