**IMPORTANT TRAFFIC SAFETY REMINDER**

We ask that all parents and friends in our Bridlemile community exercise caution, care and respect when driving around school property, especially when driving through crosswalks and Safety Patrol zones. Recently our student Safety Patrol volunteers have reported cars that have honked at them, sped through their flags, and disregarded their direction.

Students volunteering for Safety Patrol have been instructed to take down license plate numbers and car descriptions and report them to the office. The information is then relayed to our School Resource Officer, Portland Police Officer Thomas Hall, who will follow up with you directly.

Thank you for keeping our children and our community safe.
