From the Equity Committee:

During the month of December, the Bridlemile Equity Committee is focusing on friendship with people who are different from you. We hope you will check out our bulletin board that is in front of the office. You will learn about being friends with a variety of people. How are you friends with someone who is different than you? You are invited to submit examples of this to Mrs. Whitaker or Peter Puvhel's mailbox (please don't use your friend's name). We will add them to our bulletin board. Your submission might look like this: *"My name is Mrs. Whitaker, and I have a friend who has a cochlear implant because she is deaf in one ear. She is an amazing singer and I love to spend time with her. I show her friendship by making sure I speak clearly and toward her stronger hearing ear."* We can't wait to learn all the ways our amazing Bridlemile students show friendship to those who are differently abled!

FROM THE NURSE

If your child is still incomplete in their immunizations, please make arrangements to obtain vaccinations and to provide this information to the school. Exclusion Day for state required vaccinations is Wednesday February 19th, 2020. Students who are not current will not be able to attend school until current immunization records are provided to school staff.

COUNSELOR'S CORNER

Welcome to the Counselor Corner!
Week of 12/13/19: **Theme** – Diversity

Activities - We are continuing to explore the second Bridlemile value, *Diversity*, for the rest of the month. Now that our students have been introduced to the word and its meaning within the Community, our lessons and conversations are encouraging them to incorporate Kindness into the equation. Instead of simply *tolerating* or *respecting* people different than ourselves, we are promoting the **celebration** of differences within our Communities! Our language around this topic is -- “Our differences make our Community **awesome!**” How are you continuing these conversations at home?

MESSAGE FROM OUTREACH

Winter break is fast approaching! It is our hope that every family at our school spends the break with full stomachs and having fun together. In order to increase the positive impact for our community, we have replaced the annual request for presents with a gift card drive.

Monetary donations of any amount can be made online at [CheddarUp](https://community-outreach.cheddarup.com) (<https://community-outreach.cheddarup.com>) or you can deliver a \$25 gift card from Fred Meyer, Target, or Albertsons to the school office **ON OR BEFORE DECEMBER 18**. All funds will be used to purchase gift cards that will be distributed confidentially by the school counselor to families that have requested assistance.

Your contributions are so appreciated!
