5th Grade Science Fair Judges Wanted

Bridlemile's 5th grade team is requesting volunteer judges for our upcoming Science Fair Night. Many of our fifth graders are submitting projects for consideration in this year's INTEL Science Fair. On Thursday, January 23rd, from 6:00 to 8:30 p.m., judges will be needed. 5th grade parents are also invited to take part in the judging, but will be unable to assess their own child's project should that student be participating in the Bridlemile Science Fair.

If you are a K-5 parent interested in serving as a volunteer judge, please contact Dr. Larry Sherman here via email: ShermanL@ohsu.edu.

Thanks so much for your consideration of this opportunity, Bridlemile 5th Grade Team

The Lost & Found has grown again!!!! Please encourage your child to check for their belongings before leaving school each day and remind them to check Lost & Found for missing items. Parents- if you are able, please stop by to check for any item that belong to you. Thank you!!

FROM THE NURSE

Exclusion Day for state required vaccinations is Wednesday February 19th, 2020. Students who are not current will not be able to attend school until current immunization records are provided to school staff.

Mazama Lodge Adventure

We are looking for a host/hosts for next year's Mazama Lodge adventure. This has been a great fundraiser for PTA in the past. It is a night up at Government camp with other Bridlemile Families. The only way to make the event happen is to have a host/hosts to communicate with the staff at Mazama Lodge. If you are interested, please contact PTA!

bridlemile.elementary.pta@gmail.com The sign up for this event occurs at the time our Foundation open up the online items for the auction. More details to come.
Thank you!

Oregon Battle of the Books News

For all 3-5th grade students that signed up for Oregon Battle of the Books - hope you had a great holiday break and were able to get some reading done!

We will start doing Book Battles for OBOB during the last two weeks of February! Kids should be reading and practicing with their teams if possible. We will be trying to coordinate a few after-school mock battles in the upcoming weeks.

We will need about 15 parents to help run battles this year. Volunteers will be trained on moderating/hosting the battles and scoring. These volunteers are vital for the success of the program so please consider helping out! I will host trainings to prepare volunteers for this important job in the library after school on January 15th, 16th and 23rd. Please meet in the library at 2:15 if you are available to attend one of these trainings (only 1 of the days of training is needed). If you are not interested in reading the questions there is need for time keepers as well.

If you have any questions please don't hesitate to contact Kelly at kelanngillespie@gmail.com
Happy reading!
