## FROM THE PRINCIPAL

Dear Bridlemile Families,

I hope you all had a positive and productive week. It is hard to believe that May is just around the corner! Next week we will be having a parade to see and connect with our Bridlemile community. Below is more information and a parade map. Remember that during the parade it is very important that we all adhere to social distancing guidelines.

This week, the Bridlemile counseling team and our 5th grade teachers connected with middle school staff about forecasting and transition to middle school. You can expect to hear more very soon from the 5th grade team and our counselors about 5th grade forecasting.

I also wanted to remind you to check the specials schedule below so you know when to expect online lessons and posts from our specialists. The specialists schedule is attached below.

Last week, I sent out an optional Google survey for you to complete regarding class placement for your child. Just a reminder that surveys are due and need to be submitted by **Monday, May 4, 2020.**

To access the placement survey click here: <https://forms.gle/GtbG14DmEQwGAc3Y8>

I am looking forward to seeing you at the parade on Monday if you can make it. I hope you have an enjoyable weekend with your families. Please continue to take good care of yourselves and do not hesitate to reach out to your child's teacher and our school counselors regarding any support or resources you may need as we continue to navigate this very challenging time. Take good care.

Sincerely,  
Brad Pearson  
Principal

**A Message From the Bridlemile Specialists:**

Below you will find the weekly rotation for specials assignments. If your student is in Kindergarten, 1st, or 2nd grade these assignments will show up in their Seesaw class activity list just like an assignment from their homeroom teacher. Students who are in 3rd, 4th, or 5th grade will access Specials assignments by opening the Google Classroom for each subject. Students are already enrolled in these classrooms and will just need to click on the correct option from their main Classroom page.

Please know that these activities are intended as options for your student to participate in to whatever extent makes sense for your family. As always, homeroom instruction is the core of our work at Bridlemile. As specialists, we hope that students and families will find these assignments to be fun and engaging ways to extend learning and nurture students' physical and creative health.

If you have any questions, please feel free to reach out at any time.

Thank you,

## **PARADE!**

Dear Bridlemile Community,

We hope you can join us ***Monday, April 27th starting at 4pm*** for a Bridlemile School Parade! Bridlemile teachers and staff will be driving through our school's neighborhoods to say a heartfelt "Hello!" and "We miss you!" to our students and families that we care about so much.

Here's how the parade will work:

- Teachers and staff will depart from Odyssey school at 4PM, slowly driving their vehicles along a parade route through the Bridlemile neighborhoods (route directions are attached and click here to see the map: [Route Map](#))
- Parents, students and friends can find a spot along the route near their homes, safely social distancing from others, to say hello.
- Feel free to bring out the fun stuff to help make the parade joyful: Balloons, bubbles, noise makers, music, posters, etc. Just remember to be safe.

We'd love to see you and your family on our parade route! While we won't be able to go in front of each of your homes, our attached route shows we're making our best effort to reach as many friends as possible.

Once again, please remember to stay safe by maintaining social distancing guidelines, keeping 6 feet of distance between you and other families.

We hope you are able to participate and we look forward to seeing you soon, rain or shine!

Sincerely,  
The Bridlemile School Community

### **PTA NEWS**

Hello Bridlemile,

The website will be updated this weekend with needs for next year lead chairs and board positions.

In the weeks to come we will email an ask of volunteers to help assist with the items needed for the Outdoor Playground. There are items that can be made at home for the playground and we will send a list of those needs. There might be a great project on the list to do with your student!

If you or a community member are needing assistance with food/personal items, click on this link- [Covid Resources](#) for additional resources available to you.

We will continue to post updates on our website! [www.bridlemileschool.org](http://www.bridlemileschool.org)

Warmly,  
Your PTA

### **FOUNDATION NEWS**

Dear Parents–

We are so thankful for our community support during this time as we navigate this new environment. The Foundation is working to ensure that we have flexible funding to address community needs as we head into next year. As we are unable to take on any more school fundraising this Spring, we would like to encourage those of you who have already graciously

donated this year and have companies that match your donations, to please finalize that matching paperwork so that we can take advantage of those additional funds. If you have any questions or need an itemized receipt, please reach out to me at [kcornuelle@orrick.com](mailto:kcornuelle@orrick.com).

For those of you who signed up for Spring and Summer easel parties as part of the auction benefit this year, we are obviously postponing these events due to the shelter-in-place order and the current Covid-19 risks, but we will be following up with you as to the rescheduled dates as soon as we have more direction and certainty.

Please stay safe and healthy. Despite being physically separated, we still have a strong school community that supports all of us.

Thanks so much, Kristin
