FROM THE PRINCIPAL

Dear Bridlemile Families,

I hope this message finds you all healthy and doing well. I'll start this week's message by letting you know we have adjusted our specials schedule (see below). We will be moving Library lessons from Friday to Monday; however, the other specials will remain the same for the remainder of the year.

Next I'd like to give a reminder that the district has issued a furlough, which means teachers will support student learning through our online platforms Monday through Thursday. This schedule will continue for the remainder of the school year. Families can elect for their child to continue with independent work on Friday by accessing the assignments teachers posted during the Monday through Thursday school week. Families may also go to pps.net/student to find supplemental activities for students to complete on Friday as well.

As we go into the holiday weekend, I want to acknowledge all the extraordinary work you as parents and caregivers are doing during this unprecedented time. Your kindness, patience and collaboration with our teachers and staff truly highlight how incredibly supportive our community is. Our teachers continue working very hard to post lessons and keep connected with all 500+ Bridlemile students. This has been no small endeavor and it has taken all of us working together. Thank you all so very much for your continued collaboration and understanding as we continue navigating these challenging times together.

I wish you and your family a safe, fun and relaxing holiday weekend. Please continue to take good care of yourselves and your loved ones.

Warmly,
Brad Pearson
Principal

STATE PROGRAM OFFERS FAMILIES HELP TO PAY FOR FOOD

As our community deals with fallout of the coronavirus pandemic, we want to make Portland Public Schools families aware of a state benefit to help pay for food. The Pandemic Electronic Benefit Transfer program, or P-EBT, is available to help families offset the cost of meals that would have been consumed at school. It is administered by the Oregon Department of Human Services.

The P-EBT benefit is available to families with a student who qualifies for free or reduced-price meals and any student enrolled in a Community Eligibility Provision (CEP) school. For those families:

- Households who qualify for the Supplemental Nutrition Association Program (SNAP), which offers food benefits to eligible, low-income individuals and families, will have benefits automatically deposited to their existing EBT accounts. There is no additional paperwork to submit to receive P-EBT benefits.

- Households who currently qualify for free or reduced-price meals or attend a CEP school will receive an Oregon Trail Card in the mail along with instructions on how to activate or refuse benefits. There is no additional paperwork to submit to receive P-EBT benefits.

For families not currently eligible and seeking benefits:

- Households financially impacted by COVID-19 may qualify for SNAP. See the [program's website](#) to learn more.
- Families who have experienced income loss may now be eligible for free or reduced-price school meals. Apply online at pps.net/nutrition.

For assistance with submitting a meal application, please contact the PPS Meal Benefits Office: mealbenefits@pps.net or 503-916-3402.

For Pandemic-EBT questions, please contact the [Oregon Department of Human Services](#).

UPDATED 2019-20 DISTRICT CALENDAR

The [2019-20 District Calendar](#) has been updated to reflect the furlough as well as changes to the end of the school year. It is also posted on the district website.

FOUNDATION NEWS

The Bridlemile Foundation is pleased to announce that we fully funded our 2019-2020 school year contribution to The Fund for Portland Public Schools. This contribution paid for our five educational assistants and ½ of the technology teaching position.

We want to thank all of the Bridlemile families, staff, community members and business partners who helped make this possible. A special thanks goes out to our committees who led the fundraising charge with a very successful auction, a great year with the Circle of Giving and our newly relaunched holiday event that included a tree sale, pancake feed and bazaar.

We're also excited to announce our new officers and board members for the 2020-2021 school year:

- Nick Fischer -- President
- Neisa Dokken -- Secretary
- Emily Breuer -- Treasurer
- Arik Tronnes -- Member at Large
- Kristin Cornuelle -- Fundraising Chair
- Josh King -- Holiday Tree Sale Chair
- Shahrzad Dey -- Holiday Bazaar Chair

- Erin Allcutt -- Circle of Giving Chair
- Gretchen Hoffman -- Marketing Chair

We would also like to thank our outgoing officers and board members whose contributions have fueled our success over the last few years:

- Marc Albers -- Board President
- Jen Moylan -- Board Secretary
- Marisa Bursett -- Board Treasurer
- Riikka Marr -- Circle of Giving Chair

Like all things, the Bridlemile Foundation is faced with a changing environment for the next school year. Traditional funding is in jeopardy, the school budget is likely to be cut, and the fiscal demands are greater than ever. We rely on parent volunteers to run our board, all of our fundraising and all of our events. We will need even greater involvement during the 2020-2021 school year. If you are interested in getting involved with the foundation, please email us at Bridlemilefoundation@gmail.com.

Thanks to everyone for making this last year a success. We look forward to 2020-2021!
