## FROM THE DISTRICT

Students will have access to most [PPS Digital Toolkit](#) applications during the summer. Students who enroll in summer school may notice changes in some applications once summer school begins. Most PPS Digital Toolkit applications will remain active until the end of July. Applications may be temporarily unavailable at the beginning of August as PPS shifts to the 2021-2022 school year. PPS will be moving from Clever to using [MyPPS \(my.pps.net\)](#) as a district-wide portal. Students using QR Clever badges to log in to Chromebooks will no longer be able to use their Clever badge once the change to MyPPS is complete. Students will need their PPS username and password to log in to their chromebooks until they are issued a new Quickcard (QR code) at the start of school.

Please note that during the summer months, teachers are not active inside the digital tools and applications. Parents should be aware of what students are doing online. Parents may find the [Securly](#) application and [digital and civic literacy](#) resources helpful.

### **PARADE!**

Dear Bridlemile Community,

We hope you can join us Wednesday, June 2nd starting at 4pm for a Bridlemile School Parade! Bridlemile teachers and staff will be driving through our school's neighborhoods to see as many of our students and families that we care about so much! We want to say hello, we miss you, and will wave and honk in appreciation for all your support, patience, and resiliency throughout this crazy year!!!

Here's how the parade will work:

- Teachers and staff will depart from Odyssey school at 4PM, slowly driving their vehicles along a parade route through the Bridlemile neighborhoods (route directions and Route Map links are above)
- Parents, students and friends can find a spot along the route near their homes, safely social distancing from others, to say hello.
- Feel free to bring out the fun stuff to help make the parade joyful: Balloons, bubbles, noise makers, music, posters, etc. Just remember to be safe.

We'd love to see you and your family on our parade route! While we won't be able to go in front of each of your homes, our attached route shows we're making our best effort to reach as many friends and families as possible.

Once again, please remember to stay safe by maintaining social distancing guidelines, keeping 6 feet of distance between you and other families.

We hope you are able to participate and we look forward to seeing you soon, rain or shine!

Sincerely,

The Bridlemile School Community

## The Bridlemile Mural is done!!

Our mural is complete!! It is over 300 feet long, and was painted by 100+ community volunteers, with generous sponsorship from Miller Paint.

Thank you to Heather Keeling, the PTA, Miller Paint, and all the many volunteers who gave their time and talent to creating such a beautiful addition to our school!

“We feel this mural brings new energy, vibrancy and optimism to our campus, and hope the Bridlemile staff, students and community love it as much as we do.” Best, Heather

## **MUSIC NEWS FROM MS. BARLOW**

The Strings came and played together at Bridlemile this week and sounded great! It was so nice to hear students play together live again! The Band will be playing together on Wednesday, June 2nd from 3:00-3:30. We will meet by the music room door in the back of the Music Room. There will be popsicles for the musicians!

All Band and String instruments need to be turned into the school by June 2nd. There will be a new inventory system by PPS so we need them all at Bridlemile. Please drop off any PPS rental instruments on or before June 2nd.

Thank you!!!! Ms. Barlow

## **LIBRARY NEWS FROM MS. DAHINDEN**

All library books are due [Friday, June 4th](#)

### **Library Connect and PPS--check this out!**

Your student now has access to resources provided by Multnomah County Public Library through his or her Library Connect username and password. This means that if your child lost his or her library card or hasn't memorized the library barcode number, you have nothing to worry about! Simply use the Library Connect login id and password and you are good to go! Everything has already been set up for your student. There is nothing you need to do but know the login number and password. The login number is 01+student ID number. Password is your child's birthdate, month, day, year (8 digits). If your child already has a password associated with his or her library card, then the password wasn't changed. Read the attached flier for more information. The attached template is for your student's Library Connect Number and password.
