

Great news, Families!

Enrollment for our summer program is now open and I'd love to see you here! Summer is a terrific time to give our programs a try because we get kids socializing and learning as they gear up for back-to-school season.

Here's what you need to know to get organized:

## **Champions Summer takes place at Buckman Elementary School.**

Programs run for 8 weeks starting June 14th and ending August 6th.  
The cost per week is \$250!

Sign up now because summer is better together!

**ENROLL FOR SUMMER**

Our education experts built a special summer curriculum to support areas where kids need a little boost after the pandemic year. They'll return to learning this summer to be in great shape for fall!

Over the 8 weeks of our summer program, your child will ...

- **Return to learning**  
Your child will be plugged into their limitless curiosity and creativity each day! We'll trade screen time for hands-on STEM and literacy activities that get kids prepared for a new school year.
- **Learn without screens**  
We'll trade screen time for hands-on STEM and literacy activities. Your child will be fully plugged into their limitless curiosity and creativity!

- **Connect to their community**

We'll teach kids to notice, appreciate, and connect with the people in the community who make the world go 'round. And, they'll practice ways to make everyone feel included in our circle.

- **Get physical activity**

Your children will practice plenty of physical development and mindfulness activities including outdoor time, creative movement, lively games, and grounding yoga.
