

## **It's time for Chinook Book Sales**

This is such a generous fundraiser for Buckman PTA - each book and mobile app sold earns **50%!**

Chinook Combos (books with a phone app) are \$25, and mobile apps are \$15. Chinook books have tons of great coupons for local restaurants and stores. Order forms were sent home in first day packets - return that along with check (made out to Buckman PTA) or cash and we will deliver it to your child's classroom. Also you can stop by the Scrip table Tuesday mornings to check them out- we will answer any of your questions!

If you already purchased an app last year and just want to renew your phone app or just want the app and no book, please use the following link from your phone to make sure Buckman receives 50% of your purchase:
