

## **Seeking Basketball Coaches and Student Registration**

October is the time we start to build our youth basketball teams for girls and boys in 3-5th grades. We are currently seeking volunteer coaches and starting Monday will have student registration forms in the SUN kiosk. The sooner we have players and coaches in place, the sooner we can register our teams and begin practice for the Portland Parks and Rec league. If you know of someone interested in coaching, please have them contact [dmeisenhelter@impactnw.org](mailto:dmeisenhelter@impactnw.org) as soon as possible.
