Sharpie is for outlining - NOT for coloring. (those are my rules;)</p> <p>Prang watercolor is the best quality for the money. This sketchbook + watercolor set is a bargain.</p> <p>An art sketchbook is needed as an economical way to have heavier paper for coloring and painting.</p> <p>Oil pastels - the Crayola neon pack was the most economical set - they will work well - but any other larger set will work too.</p> |
