

I am going to a new school! My new school is called Capitol Hill Elementary. This is what my new school looks like.

The inside of my new school looks like this.

These are the hallways.

This is what the library looks like. I can check out books that I like to read.

This is the cafeteria. I will eat lunch with my class in the cafeteria. Sometimes I will eat breakfast here too.

This is what the gym looks like. I will go to PE with my class.

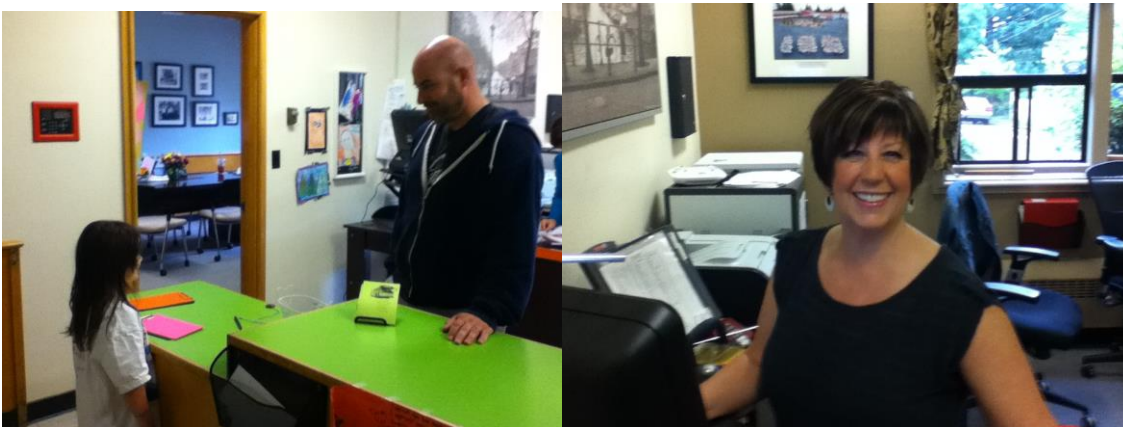

This is the auditorium. We will have assemblies here.

This is a picture of a classroom.

This is the office. The office is where I go if I need help or if I need anything. Mr. Mike and Ms. Heidi work in the office and can help me.

Here is the Principal at Capitol Hill. Her name is Ms. Williams. If I ever need any help I can always go to her.

This is the playground. I can play here during recess. It is really fun!

I am excited to go to my new school!
