!2/17-1/1 NO SCHOOL WINTER BREAK

Hola Familias y Amigos de Ockley Green,

Brrrrrr! I hope all of you are keeping warm. I know it's hard to get middle schoolers to dress warm, but we are having kids outside when it's clear skies, so please remind them of this. And, if you or you know of anybody else needs warm clothing, please contact one of our staff members so we can help get resources to people who need them.

Also, please remember that during this last week before winter break, students have a lot of emotions flowing. We're doing our best here to help students focus on their academics and to be on their best behavior. Your support, guidance and feedback really makes a difference.

This will be the last newsletter of the the year so we would like to take a moment to wish you happy holidays and hope that over the next few weeks, you all have an opportunity to spend time with people you love and appreciate what you have. We hope you all stay warm and joyous end of the 2018 year.

We're celebrating all of the great behavior that students have been recognized for through our incentive system. Students have been receiving On Points for a variety of positive behaviors throughout the year. Sometimes they have been cashing them in at the student store and they have also been saving them up for the auction this....
