Community

A rich tradition as a school of excellence began in 1869 when Lincoln was established as the first public high school in the Northwest. Lincoln High School is located in downtown Portland, near many cultural institutions and the city's business and retail core. With approximately 2.23 million people residing in the Portland metropolitan area, it is the 26th largest city in the country. The urban experience enriches classes with field trips, field research and internship opportunities. Lincoln enjoys significant parent and community support as evidenced by thousands of hours of volunteering and fundraising. Current students aspire to be the next generation of leaders in their respective fields and are proud of illustrious alumni who include senators, mayors, governors, fire chiefs, Olympic athletes, Pulitzer Prize winners and an Emmy winning cartoonist ("D'oh!").

Academic Programs

Lincoln is a comprehensive four-year urban high school, noted for its academic climate and rigor. The college preparatory curriculum features advanced classes in Art, English, Math, Science, Social Studies and World Languages including Arabic, French, German, Mandarin, Spanish and American Sign Language. Career Tech electives in Business Management, Computer Science, Culinary Arts, Mass Communications, Product Design and Robotics inspire students to consider the future. Authorized since 1989 to offer the International Baccalaureate (IB) Diploma Programme's curriculum, Lincoln embraces an open access IB policy that allows all students to opt into their choice of IB classes. With a selection of over 55 courses, Lincoln High School offers the most robust and comprehensive IB program in the state of Oregon. Lincoln IB Diploma recipients have averaged over 32 points on their IB exams for the past five years, with scores well above the global average in nearly each of the courses offered.

College Plans

A large number of 2021 graduates chose an Oregon college (165), but colleges in 25 states and 6 countries also welcomed LHS alumni. 85% of Lincoln students attend college after high school.

Note to College Admissions Professionals: Portland Public Schools, in response to required guidance from the Oregon Department of Education, moved to Passing (P) and Incomplete (INC) grades for all high school coursework beginning March 2020 due to COVID school closures and the state shift to distance learning. This grading adjustment is reflected on the spring 2020 portion of student transcripts. In addition proficiency credit and pass grades were issued for coursework which met Oregon Department of Education guidelines for proficiency credit. These credits are noted on students transcript with proficiency next to the course name (i.e. Eng 4- Proficiency) and a grade of P (Pass). Portland Public Schools has returned to A-F grades for the 2020-21 school year.
