

November 15, 2018

Dear Parents and Guardians:

Cleveland High School staff is committed to partnering with families to support student well-being and academic success. Communication is key to this goal and we would like to invite families to join us for **parent/teacher conferences**. These two days provide families with the opportunity to meet with each of their student’s teachers to discuss the student progress.

**Please check ParentVUE for you your student’s teachers/schedules and bring it to conferences with you!**

<http://parentvue.pps.net> Contact our school office at 503-916-5120 if you need assistance accessing ParentVUE. All conferences are “drop-in” so appointments are not necessary. Because each teacher sees as many as 180 students, we ask that conferences be limited to no more than five minutes per teacher. If more time is needed, appointments for a later date can be made with the teacher.

**Teachers will be available for conferences during the following schedule in the cafeteria, library, or as noted below.**

**Please NOTE:**

- **Counselors will be in the Student Services Center (SSC), Room #226**
- **Interpreters have been scheduled in advance for our non English speaking families and reminders were sent to those students yesterday.**
