The district is now requiring that all da Vinci students take at least one quarter of dance each year to meet PE requirements. Please indicate below how you would like to meet this requirement:

- ___ Year-Long Dance (level to be determined by dance teachers)
- ___ Explore Dance (you would also take explore classes for the other 3 terms of the year)
- ___ Drop-in Dance (you would leave one of your year long art classes for ONE quarter to satisfy your PE/Dance requirement and then return to your year-long art class)*

* We are still exploring how "drop-in" dance would work, based on student interest we will determine if it is possible.

We are excited about the opportunities that future changes could potentially offer us. Please answer the following questions as honestly as possible so we may include your feedback in our decision making process.
