Faubion School will also be launching a thriving clothing closet where families may pick up low-cost/no cost uniform pieces. We also encourage Faubion families to donate outgrown uniform pieces to our clothing closet. If you are interested in helping to launch or help staff our clothing closet, please contact the front office and let us know!

When students come to school without their uniform, the policy is:

**\*\* First Time:** Student will go to the office and receive a “temporary uniform” to change in to. The family will receive a reminder note to have their student attend school in standard dress. The family will be asked to sign and return this reminder note. At the end of the day, the student will change back into their “free dress clothes” and we will wash the borrowed uniform pieces.

**\*\* Second Time:** Student will go to the office and receive a “temporary uniform” to change in to. Student will call parent, who in turn will have to bring a uniform to school so that the student can change.
