

Dear Class of 2024 and Families,

As the Class of 2024, you begin your high school journey this year as a 9th grade student. As a 9th grade student you will be assigned to Communities. Communities are created to support 9th grade students in transitioning to high school. As a member of a Community you will be with a cohort of students who share the same core teachers. For example, if you are assigned to Community A, your peers in English will join you in your College and Career Exploration, Physics, and Math* classes.

On the first day of school, you will meet your teachers assigned to your Community, your classmates, and Franklin HS administrators. The first day you can expect to participate in activities that will allow you to learn about Franklin High School's culture of high expectations and support for students. Your teachers also will have community building activities where you will get to know your peers, as you embark on this journey together. You will learn how to navigate technology platforms used in your classes, learn about the grading system, attendance expectations, and routines that will prepare you for success in the classroom.

To access your orientation please follow these login instructions:

- When you log into your Chromebook your default page lists icons for Clever,
- Seesaw, Canvas, GoogleMeet. Click on the Canvas Icon. If you are using a
- non-district issued device then click on this [link](#) and the default page will
- appear.

- Once you log into Canvas, click on Announcement posted by your English
- instructor.
- In these announcements you will find a GoogleMeet link.
- Click on the GoogleMeet link provided by your English Instructor in the
- announcement.
- You will now see your teachers and peers assigned to your community.

Community A- Garrett
Community B- Sletmoe/Moore
Community C- Vinger/Drescher
Community D- Gromko/Souza
Community E- Kavehrad/ Knowlton
Community F- Wray/Wolff-Myren/Monsees

Here is the schedule for the first day of school on September 2nd:

- 1) 8:00am – 9:15am – Applied Learning. During this time you will work on independent routines, practices, and application of teacher facilitated learning. This is a good opportunity for you to log into your Canvas account and begin reading classroom announcements that might be posted.
- 2) 9:15am – 10:30am – Connections. Welcome to High School..
- 3) 10:40- 11:55am – Community Building activities.

Again, please continue to check the Franklin HS Website for updates or possible changes.

Sincerely,

Franklin High School Administrators and Staff
