

CLUB DESCRIPTION

Name/Grade _____

Puppet Theatre: come explore your creative side as we make puppets and work with fellow classmates to write your own stories to perform. Family and Friends join us on later in the summer where you will get to see these stories come to life!

MBA Basketball: come learn from highly knowledgeable current and former basketball players, whose skills and expertise will provide unique training techniques for each student. This class focuses on developing both fundamentals and skills for players while having a great time doing it!

Ragtime to Rap: breeze through some of the time's best music such as the blues, ragtime, and jazz. Throughout the class students will be exposed to how these styles

Ragtime to rap: (continued: relate to current day rap, hip hop and pop music.

Extreme Makeover: Courtyard Edition: grass, leaves, weeds and sticks... oh my! The courtyards that we walk by in the halls each day need some love and attention. Join us this summer as we take action... extreme action that is. Time to roll up our sleeves and get dirty as we make our courtyards beautiful again.

OSU Cooking: preparing easy healthy food is just one-step away! This class will help educate students about good nutrition and encourage them to eat healthier foods. Let us show you how to create a quick, great-tasting meal that fits your budget using fresh, flavorful ingredients.
