2018-2019: Where did this school year go? There are only nine school days left and students are feeling anxious and excited. We are too! We appreciate all of the parents who are making sure their children are getting enough sleep and arrive at school on time. We will finish out the year strong with many activities planned for the next two weeks. ~ Principal Annie

### Upcoming Events:

#### Field Trips

Parents this is a busy time of year with many field trips planned. Please remember to get permission slips signed and returned so your child does not miss out on their field trips.
