

5th Grade Supply List

Mr. Fischer's Class

- A pair of scissors that fits your tween's new, slightly larger hand!
- Optional: Two nice folders to hold classwork in progress.
- Needed supplies (including old or tiny pairs of scissors and pre-owned folders) will be available to students. Note: I have lots of new pencils, crayons, and rulers ready to hand out, as well as packs of lined papers to share. Students are welcome to bring favorite supplies, but I suggest waiting until there is a need to bring them. All student materials will be stored in students' lockers, and they are not so big.
