- About Project BOLD: Project BOLD is a self-defense curriculum where the girls will learn defense techniques and continue learning what it means to be Strong, Smart, and Bold. This component builds negotiation, assertiveness, and self-defense skills as well as facilitating open and honest discussions about teasing, bullying, and sexual harassment to encourage and support girls who are being hurt and to lessen their fear and sense of isolation.
- Calling all Grout Girls! Grout SUN Community School Girls Basketball teams are forming in partnership with the SE Portland Girls Basketball Club for the 2019-2020 school year! Grout teams are for 1st-5th grade, with opportunities for 6th-8th grade students possible at local middle schools. Contact Steve Cooper for more info at stevescooper1@gmail.com; (503) 887-2928; sepdx-girlsbasketballclub.com

Konstella

Next week the PTA will be 'scrubbing' Konstella and removing classroom assignments for anyone that has had their child assigned to their classroom for this school year. Once you have your new teacher assignment on the last day of school, you will be able to join that classroom. We encourage you to join your child's classroom once you have the new assignment so that you can communicate with other parents in the new class over the summer. You will get an email reminder to do so. We will also be removing the 5th grade parents from Konstella (and we'll miss you!).

Student Medication

If you have medication in the office for your student, please be sure to pick it up by June 12. Medication must go home with an adult, we cannot send it home with your student. We are unable to keep medication over the summer. Any medication left here will be destroyed on Friday, June 14. Thank you.

Lost and Found

Our Lost and Found is full! As the year is winding down, stop by the lost and found on the tables next to the office and see if anything looks familiar. At the end of the school year, anything that is unclaimed will be donated!
