

# ROARING LIONS FUN RUN

## May 15, 2019

This is a school wide fun run. The money that is raised will be used for improvements on our two playgrounds. Both playgrounds need to be repaved with new lines painted on for games, we need new basketball backboards to replace our old rusted ones, and new goals and nets for our soccer field. This run is a way for all of our James John students to help with the fundraising effort. We would like each family to participate by asking family, friends, neighbors and co-workers to help sponsor students. **We stress that students are not to ask strangers for pledges.**

Your child has already have received their pledge sheet. Parents/Guardians please make sure that you sign the permission portion at the bottom of the form. All students will jog, run or walk for thirty minutes during the day on May 15th.

Students can collect the funds prior to the run since all contributions are a one-time single donation. **All monies collected need to be back to school by May 15, 2019. Cash or checks will be accepted. Please make checks out to James John PTA.**

We are hoping to make our third Roaring Lions Fun Run a success with your help. Thank you for everything that you do and do not forget to come out on our run day and cheer on your child!

If you have any questions please feel free to come and see me, call or email.
