

# VIRTUAL LIBRARY SERVICES

[JHSLIBRARY.ORG](http://JHSLIBRARY.ORG)

## DIGITAL RESOURCES

### GALE DATABASES

Access articles, videos, ebooks, and more with general and subject specific databases. Sources can be shared directly to Classroom. Students have audio, translation, and annotating options.

### EBOOKS & AUDIOBOOKS

Access to fiction, graphic novels and nonfiction ebooks and audiobooks. Includes 100s of multiple user titles.

### JOVE

Science Education Video Library and peer-reviewed video journal.

### LEARN360

Multi-subject K-12 streaming service that provides access to videos, audio recordings, maps, and interactives.

### LITFINDER

Available through OSLIS, LitFinder provides access to full-text poetry, short stories, speeches, and plays.

## LIBRARY SERVICES

### DIGITAL CONTENT CURATION

Looking for text sets? Need a webliography? Let me curate these resources for you!

### LESSON RESEARCH

Content specific lessons on how to find, access, evaluate, and use information.

### TECHNOLOGY TOOLS

Have a digital learning idea, but aren't sure what tools are available to execute it? Let me do the legwork. Or check out the districts [digital resources database](#) that has over 200 vetted applications to use with students.

### VIRTUAL LIBRARY HOURS

The Jefferson Library is offering virtual library hours Monday-Friday 10AM-3PM. Visit [jhslibrary.org](http://jhslibrary.org) to connect with me through Live Chat or Meet.
