

Lane's In-Person Hybrid FAQs for Parents

Greetings Lane Families:

We are excited about an opportunity to re-engage students in our in-person hybrid program at Lane. Hybrid learning will focus on helping students connect with teachers and each other, and helping support what students are learning in their online classes.

Here are a few important things we wanted to share about the program:

Health and Safety Procedures					
To help keep our school community safe, before sending your student to school, check for the following:					
COVID-19 Student Home Health Screening					

Primary Symptoms

- Coughing
- Temperature of 100.4 or greater
- Chills
- Shortness of breath
- Difficulting breathing
- New loss of taste or smell

Other Symptoms

- Fatigue
- Muscle or body aches
- Headache
- Sore throat
- Nasal Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Consider the following:

My child...

- Have one or more primary symptoms?
- Have two or more other symptoms?
- No symptoms, but have a positive COVID-19 test?
- No Symptoms, but have had close contact with someone (within 6 feet for a cumulative of 15 minutes or more, over a 24 hour period) with a confirmed or presumptive case of COVID-19?

What should I do if my child shows any of the symptoms above?

Please do not send your student to school. Contact the school to:

- Report a symptomatic child or household member
- Inform them of an exposure to a person who tested positive for COVID-19

If there is a positive COVID-19 case at your child's school:

- Families of those who were exposed to a positive case will be notified.

Student Expectations and Health Safety

General:

- Schools will assign staff and students to cohorts for contact tracing
- Students will learn about masks, handwashing, & safety protocols
- Additional cleaning in classrooms, touchpoints, and public areas
- Classroom Health Stations equipped with sanitizing supplies

- School teams will support all students in following the health and safety protocols

Face Masks:

Students are required to wear face coverings indoors and outdoors, including during recess.

- Face coverings are required for all students.
- We will provide a mask if needed and students will not be excluded from learning if they are not able to wear a mask.
- If there is a medical condition that will prevent your child from wearing a mask during hybrid, please contact our school administration.

Handwashing:

Students and staff are required to sanitize or wash their hands upon entering and exiting district buildings.

- Buildings will have adequate supplies to support healthy hygiene behaviors.
- Schools will teach and reinforce hand washing and covering coughs and sneezes among children and staff.

Social Distancing:

We will be following the PPS's social distancing guidelines which requires:

- Minimum of 35 square feet per individual
- 6 feet of distance between individuals
- Marked directional paths in hallways and 6-foot markers for forming lines
- Students will walk outside whenever possible

Classrooms:

To ensure the health and safety of all LIPI students and staff, classrooms will look different. We have taken the following steps:

Student Cohorts

- Students will be assigned a student group (cohort) so classrooms will have fewer students.

Seating

- All seating in classrooms will be 6 feet apart.
- Students will most likely stay at their desks or work station.

Transportation

The district will provide bus transportation for eligible students attending hybrid in-person sessions.. Please reach out if you have any questions or concerns.

Food Program

For the remainder of the year, grab-and-go meals will be available between 3:30 and 4:30 p.m. on school days for all children in the community (PPS students and children not enrolled at PPS) ages 1-18.

All school meals will continue to be free for all students in all schools, and no student ID or names are needed to receive meals.

When students return to hybrid in-person instruction, meals will be served at their school at the end of each of their in-person sessions.
