

MARYSVILLE NEWSLETTER

Dear Marysville Families,

Happy March and almost Spring,

PRINCIPAL'S MESSAGE

Thank you to our families that have already completed the Successful Schools Survey. We have 25% completed already!

We are hopeful to reach our goal of 50% by this Friday March 4th. Please complete it to help us reach our goal. Paper copies are available at all entrances. We are eager to hear more about your experience and thoughts.

Take the survey today! You can complete the survey from a computer, tablet, or smartphone. It should only take 15-20 minutes of your time. Select the school your child attends and answer the questions for that school. If you have children at more than one PPS school, please complete one survey for each school your children attend. If you need help taking the survey please contact your teacher or principal.

The kids are all very excited about earning these prizes so please be sure and fill out your survey and let your student's teacher know it's completed as soon as possible.

All students participated in Winter Benchmark assessments. These assessments help your student's teacher determine what they need to focus future lessons on and to track students' academic growth.

Currently the district plan is to have students in grades 3-5 participate in the State Standardized Tests later this Spring as well. These math and reading assessments will help us to celebrate all the student learning that has taken place while we are back in school together this year.

BLM at Marysville

This month we have focused on activities supporting the National Black Lives Matter Week of Action. At Marysville Black Lives Matter all year long, but this month has felt very special. As a community we have celebrated Black lives and the incredible contributions that African Americans have made and continue to make across America. We will share a video soon with all the classes' final projects.

Cathy Murray

she/her/hers

Marysville Principal, cmurray2@pps.net

COVID-19 MASKING UPDATE

Outdoor masking will now be optional no matter the distance. We will make sure to have extra masks on hand for students who need them if their mask gets lost or dirty while outside. Masks will still be required while inside the building. It is still our upmost priority to keep our students and staff safe and healthy.

6TH GRADE VIRTUAL TRANSITION DAY

Kellogg Middle School is excited to host its first ever 6th Grade Virtual Transition Day on March 17, 2022 from 1:30-2:30pm.

During this time, we will talk about Kellogg Middle School, our classes and have time for students to ask student leaders questions about Kellogg Middle School. The agenda, slides, and Google Meet link will be shared once they are finalized.

We will also have a Parent Night Scheduled for April 21, 2022 from 5:30-6:30pm.

CONNECT TO KINDERGARTEN

Do you have a student who will turn five on or before September 1st? Kindergarten registration for the 2022-2023 school year is now available online at <https://www.pps.net/kinderenroll>. If you are unable to enroll online and are in need of paper forms, email our school secretary at mnovakoski@pps.net to arrange for a time to pick up a registration packet.

Visit the [kindergarten page](#) on the [Marysville website](#) to find Connect to Kindergarten videos in multiple languages and learn more about kindergarten at our school, information on upcoming events, and how to register your student.

FROM THE LIBRARY

March is here which means OBOB is almost complete! There are 6 teams left. The Marysville winner should be decided by March 17th, so stay tuned!

We recently ordered a plethora of new nonfiction books for our library! One of the library goals this year was to really start updating our nonfiction section. It is important to keep our factual information up-to-date so our students are not learning or spreading false information. Things change all the time and we are going to do our best to keep up with the changing times!

-Ms. Tucker, she/her/hers
Teacher Librarian

SUN

From your SUN Site Manager:

Spring registration forms for after school classes are being distributed to grades K-5 on March 1st. The forms are due back on March 8th. It is recommended that your student return them as soon as possible.

Classes are limited to 10 students and they do fill quickly. Thank you for your support of SUN. It's been a great year so far!

If you have any questions, please don't hesitate to contact me: arozelle@impactnw.org or 503-544-3380 (text preferred).

Audrey M. Rozell, she/her
SUN Community School Site Manager

FAMILY CLUB

Hello! This is Ellie Russell (she/her), outgoing Family Club President.

I'm very excited that on Monday, March 14th at 6PM, Family Club will host an online workshop with MXM Block PDX that will focus on anti-racism and ending microaggressions. Pronounced "Mom Block," this is two Portland women of color who educate school communities about anti-racism. It is my hope that Family Club evolves into a parent group that is racially diverse, just like our wonderful student population. All are welcome and I hope you can join! Stay tuned for meeting link.

As your Southeast Guiding Coalition Parent Representative, I want you to be aware that while it's likely that Marysville will feed into Kellogg Middle School, we could still be assigned to Harrison Park. Please follow the website [Marysville Parents](https://www.marysvilleparents.com) for more information.

For information about Family Club or to join our google discussion group, please email marysvillefamilyclub@gmail.com

FROM THE HEALTH OFFICE

Hello Marysville Families!

Vaccinations are a requirement for school registration. There are State requirements we follow to keep our students up to date on these vaccines. April 20, 2022 is the State Exclusion Day for students who are not up to date with their vaccinations. If your student(s) are not up to date, you will receive a letter with the immunizations needed. If you have already updated the vaccinations with your provider, then please provide a current copy to the office. If you have not, then please be sure to get this done as soon as possible. Students who are not up to date with their vaccinations or non medical exemptions by April 20th, will not be allowed to return per State guidelines until their vaccinations are complete and up to date.

Here is the link to more information, multiple languages are available here:

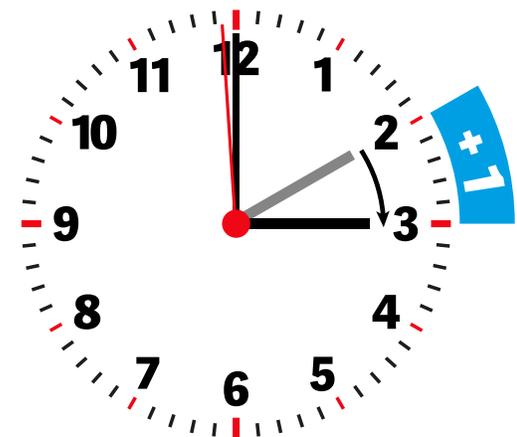

<https://www.multnomahesd.org/shs-immunization.html>

Please reach out if you have any questions or concerns.
Thanks!

Vicky G., she/her/hers
School Health Assistant
