A big, heartfelt thank you to our families!

Dear Jason Lee Families

Thank you for all of the wonderful support that our PTA and parent community put into our Teacher Appreciation Week celebration. From breakfasts and lunches to flowers and cards, our parent community really showed up to show their appreciation for our hardworking and dedicated teachers. Thank you so much!

This year's Teacher Appreciation Week had a Superhero Theme, so we had a "Soup-er powered lunch," and a "Flower Power day" where teachers received vases and students were able to pick out flowers to make beautiful floral arrangements. It was a big success and that's in large part to the wonderful work of our PTA!

All year our PTA shows their support for Jason Lee students, with weekly popcorn Fridays, our monthly movie nights, and some great events like our Harvest Festival and upcoming Carnival. Jason Lee would not be the wonderful and family friendly place we love

to come to each day without the support of parents like you!

We want to welcome our new PTA officers, including our incoming President, Ginger Huizar and our Vice-President, Brie Schneider! We're looking forward to the wonderful things that you'll do together next year!

Please read through this newsletter to learn more about upcoming events, including our end of year promotions, field day, and our community carnival.
