

**George Middle School: 2019-20**  
*Rising 7<sup>th</sup> Grade*

**ACADEMIC PROGRAM:** There are seven class periods each semester at George. Students take five core classes and two elective classes per semester, except for those in the Special Education, and ELD programs, who select one elective class per semester. Students whose scores on DIBELS/EasyCBM assessments indicate they need additional support in Math or Reading will be placed in a support class as one of their electives. All 6<sup>th</sup> grade students are required to take the following courses:

Class	Length	Periods
<b>Language Arts</b>	Full year	1 Period
<b>Ancient World History</b>	Full year	1 Period
<b>Common Core Math</b>	Full year	1 Period
<b>Integrated Science</b>	Full year	1 Period
<b>P.E / Health</b>	Full year	1 Period

**ELECTIVE CLASSES:** Middle school is a great time to explore new possibilities. We offer a range of electives to suit a variety of interests. Some electives are offered for half year; others for full year. Students select their top choices, with alternates. We do our best to accommodate student preferences; electives are offered on a space-available basis. The school master schedule is built based on student course selections, so elective course changes in fall cannot be accommodated; students are expected to remain in their forecasted courses.
