

WELCOME  
TO A  
**HISTORIC**  
SCHOOL YEAR

---

**IT'S LINCOLN'S SESQUICENTENNIAL**

*For those of you not familiar with the term, it means we're commemorating 150 years of educating students at Lincoln.*

*We opened our doors for the first time in 1869.*

## **WE ARE LOOKING FORWARD TO CELEBRATING WITH ALL OF YOU**

We will be honoring Lincoln's past, highlighting the great students and families who are here today and looking to a future of continuing our mission to develop inspired global thinkers.

We have events and activities planned throughout the year highlighted by our 150LHS Big Party on April 13 at Portland State University's Viking Pavilion. There will be numerous opportunities for you to participate, get involved and enjoy the celebration.

We are looking forward to creating more great history with you this year as we celebrate the accomplishments and the people who have made Lincoln one of the nation's best public high schools.

Below are events already planned. We will keep you updated with more 150LHS celebrations throughout the year.

---
