## MHS Important Information for Students & Families 2020

We have created a new course in Canvas that is specific for each grade level. It is titled "Add'l Student Support" and will be on each student's dashboard starting today 9/28. We have created this course to share important information with students that is also easy to find. Information will include College & Career and Social & Emotional resources, specific to their grade level. Please let students know that this is not meant to be extra work, but a streamlined way to find the content that counselors share with students throughout the year.

4. How do I update an address, phone number, or other family information? The deadline is October 31, 2020.

To login to either a Parent or Student account, go to <http://parentvue.pps.net/>.

To activate a ParentVUE account, contact Kerry Graves at [kgraves@pps.net](mailto:kgraves@pps.net) to get your activation code. These accounts follow your student throughout their enrollment at PPS schools, so there is not a new account generated when students start as freshmen at a new building.

To reset a password, go to <http://parentvue.pps.net/> and select the "Password Reset" tab at the bottom of the page under "Further Information."

If you need more help with ParentVUE/StudentVUE access, contact Kerry Graves at [kgraves@pps.net](mailto:kgraves@pps.net) or Cecilia Hornbuckle at [chornbuc@pps.net](mailto:chornbuc@pps.net).
