

Madison Community, Welcome to the 2020-2021 School Year!

On behalf of the Madison PTSA Board, we would like to welcome you back (or to) Madison this year. We know this year looks vastly different than most, but we are excited to see students back in class and we are so grateful to the administration and all of our teachers who are working so hard to make this the best year possible.

The PTSA is made up of Parents, Teachers & Students associated with Madison High School. We are a non-profit organization committed to the strengthening of Madison and to the building of our Community Network. We will host virtual quarterly meetings this year to keep parents informed and to devise plans for supporting our teachers, coaches, and staff to ensure that all Madison students can reach their full potential.

The **first PTSA meeting of the year will be September 29th, 6:30-8:00pm** (Zoom link will be sent out closer to the date). The agenda includes an update and Q&A with Principal Skyles, and an overview of the Madison modernization project with Jessie Steiger, PPS Senior Project Manager, Office of School Modernization. Ms. Steiger will have a slide show presentation and will be able to answer any questions about the remodel.

Membership is especially important to our PTSA. The more members we have the more powerful our voice. It is just \$10 to join. Follow this link for easy sign up! <https://madison-hs.new.memberhub.store/store>

Once again, welcome back to school. Please reach out to any of us if you have any questions, suggestions, or ideas about our PTSA.
