Student Instructional Support Resources, College Application Support and Tutoring

Because teachers are on strike and the schools are closed, students will not be required to complete new assignments. Students have access to optional, self-directed supplemental academic and social emotional learning resources, reading coaching and tutoring services, all linked at this site: <https://sites.google.com/pps.net/student-instructional-resource>.

You can also find information about support with college applications by selecting the High School option.

Internet Access

If your family needs assistance with internet access during this time, you can utilize the following resources:

- Free internet access (WiFi) is available at all public libraries in Multnomah County multcolib.org/hours-and-locations
- Visit the PPS Student and Family Technology Resources webpage (pps.net/Page/1913) for additional links to resources.
