We at Peninsula School are thankful for:

- All of our children and their families
- All of our Fabulous Volunteers
- All of the staff and partners that help to make Peninsula the wonderful learning community that it is.
- The opportunity to serve students and help them to grow and learn.

A note from the Peninsula Grounds Committee

Our Peninsula Grounds Committee has been busy. Last week Peninsula Grounds Team partnered with Buell Construction to identify safety hazards on our playground and surrounding turf. Multiple hazards have been identified and discussed with administration. Remedies are currently being planned and pursued.

Mural Ideas wanted! We are currently working with a local artist to have a mural painted on our Emergency Preparedness Container so the kids can have a place to draw with chalk during recess.

If you have ideas or a specific item you'd love to see we'd like to hear from you !

Design Mock Ups will be presented at our PTA meetings and through our FB Page.

We want to connect with you! Looking to get involved? Have concerns you would like addressed about Peninsula Grounds ? Have an idea for the Playground?
