

# Peninsula School's Weekly Update

Dear Peninsula Families,

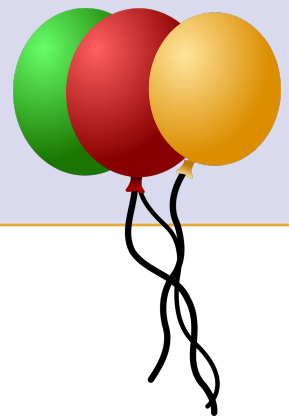

The year has flown by, and it's hard to believe that we are already heading off to summer break, even with the extended year due to snow. We believe it has been a very successful year here at Peninsula. Thank you for being part of our community and for all that you have contributed to our success. Every little detail, from helping your student get here on time, to volunteering for events (and everything in between) helps to create a productive and inviting learning environment.

We hope that you all have a wonderful summer. For those of you returning to Peninsula next year, we look forward to your return. For those of you who are headed off on your next adventure (such as middle school!) we wish you all the best.

We would also like to say farewell to the following staff members: Kelsey Kaul, Andrew Hernandez, MaryLynn Gardner, Peter Timmons, Zoe Bakker and Tara Davila. We will miss them as part of our team.

Sincerely,

Silvia Asson  
Principal
