

# Peninsula School News

## THIS SATURDAY October 7th

10:00am - 1:00 pm

### Peninsula Saturday School and Caldera Creative Lab

Join us for Homework Help and Mentoring with Ms. Asson at Saturday School OR for Caldera Creative Lab with Ms. Julie.

Activities are free, and no reservation is required to attend, however all activities begin by 10:30 so please plan on being here on time and for the duration of the class.

**Please Note:** Saturday School and Caldera Art Workshop occur every Saturday, **except** those when there is no school on Friday. For this reason there will be Saturday School this week (10/7) but NOT next week (10/14). All Saturday School & Caldera classes are on the website calendar.

### Caldera Creative Lab

Join Caldera artists in exploring the community through photography, writing, drawing, music-making, painting, short hikes, crafts, singing, dancing, and games! Our mission is to create connections to our community through the arts, environmental exploration and conversation! It's FREE and all Peninsula families are welcome!

The Caldera Creative Lab is sponsored by Caldera and a Studio to School grant from the Oregon Community Foundation.

## October 12th

Picture day envelopes have already gone home in backpacks. Please have your student return them on picture day and give them directly to the photographer when they have their picture taken.

Pictures can be purchased with cash, check or online with a credit card. Checks should be made out to Dorian Studio. Cash needs to be exact.

To order online go to [www.dorianstudio.com/order](http://www.dorianstudio.com/order)  
Access Key # K3Z5YFAR

\*Receipts for online orders need to be enclosed in the picture day envelope.
