Parent-Teacher Conferences Nov. 8th & 9th

**Sign up for a parent-teacher conference in the school office.
You can also call the office to schedule your apt. or schedule
with the teacher.**

As a reminder, we request that students not wear their Halloween costumes to school on Tuesday, October 31. We do this for a variety of reasons, namely: Halloween costumes can be a distraction from studies, we do not want to exclude or offend religious or cultural groups that do not celebrate Halloween, and some teachers may not have the time or parent support to plan activities for Halloween.

Students are welcome to wear their costumes to the Harvest Fair on November 2, provided that they do not bring masks, simulated weapons, or blood-and-guts makeup. Thank you for helping us to maintain a strong academic environment.

On a related note, please encourage students not to bring any toys to school. Toys at school usually result in distractions if there is a conflict or if they are lost or taken. We cannot be responsible for items of value lost at school, and we suggest simply leaving these items at home.

As always, I am available by phone, email or in person if you have any questions, comments or concerns. Trevor Parker, School Climate Coordinator
