Continued Drop off Pick up Concerns

I know drop off and pick up can be frustrating with the bottleneck of traffic we experience. Our goal is to keep students safe as they come and go from school. Please make sure to follow the PBOT traffic route. Do not park next to the intersections on Kilpatrick or Halleck. It's creating a visibility issue that is resulting in unsafe conditions for our students and families.

To help with a calmer arrival, consider parking a block or two away and walking your child in, if you are able. Our student safety patrol is working hard to keep you safe. Please follow their instructions when using crosswalks. If you are interested in volunteering to support our morning or afternoon safety patrol, please reach out to Coach Matt @ mchallender@pps.net. Thanks for helping to keep Peninsula safe!

Update on Logs and Soil

DePave has hired a contractor to move the fill dirt and clean up the playground. We are so appreciative that they stepped in!

Spirit Week January 23-26

Chipotle Dine Out Fundraiser

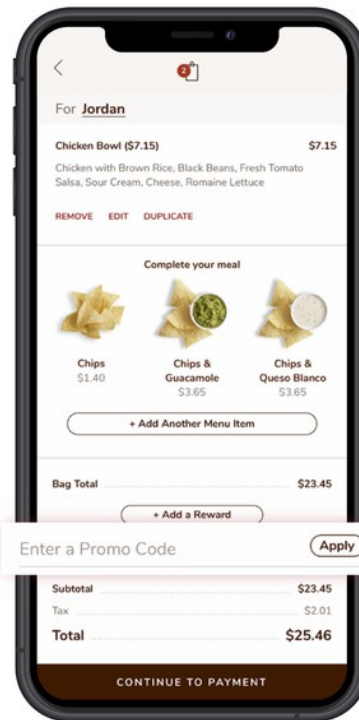

ONLINE FUNDRAISERS

Congratulations on your upcoming Chipotle fundraiser! Below are details on how to participate in your fundraiser online through the **Chipotle App** or **Chipotle.com**.

Please note all online orders for your fundraiser must be within your scheduled hours and only at the restaurant hosting your event.

- 1** Access the **Chipotle app** or order on our **website**.
- 2** Choose **“Pickup”** and select the location of the restaurant which is hosting your fundraiser.
Delivery orders or orders placed through other apps will not be counted towards your fundraiser.
- 3** Build your order with all your faves.
- 4** Once you're ready to place your order, input your unique online fundraiser code in the **“Enter a Promo Code”** section. Don't forget to click **“Apply.”**
- 5** Provide payment information and submit your order for pickup (not delivery). **Reminder, pickup must be within the hours of your scheduled fundraiser.**

Fundraiser x - \$0.01

If you or your supporters forget to input and apply the code at checkout, please email us your order information at fundraisers@chipotle.com.

HELPFUL TIP

Once you apply your fundraiser code, your cart will show “Fundraiser” and an amount of **-\$0.01**. Don't panic — this is totally normal and how we track the code in our system.

Winter Benchmarking

The benchmark assessment window is open now through early February. During this window teachers will use a variety of assessment tools to gather data and track student progress over the first half of the year. Teachers will use this data along with other curriculum based data to determine next steps in academic programming supports and extensions.

A Message from Campfire

Registration for January 27th Full Day Program is still open. We currently have less than 10 students registered for Peninsula, unfortunately if we do not have more than 15 students registered, we will have to close full day program at that location. If Peninsula closes, we will give families the opportunity to relocate to the Fernwood full day program. **Registration will close on 1/19/2023**, but drop-ins will still be available. To register, please click [right here](#). If you have any questions, please do not hesitate to contact me. I will do my best to help or find someone that can.
