Staffing and Planning for 23-24

Believe it or not, we are already entering into staffing and planning for the 2023-2024 school year. As I have updates I will share out both in this post and at our PTA meetings.

Continued Drop off Pick up Concerns

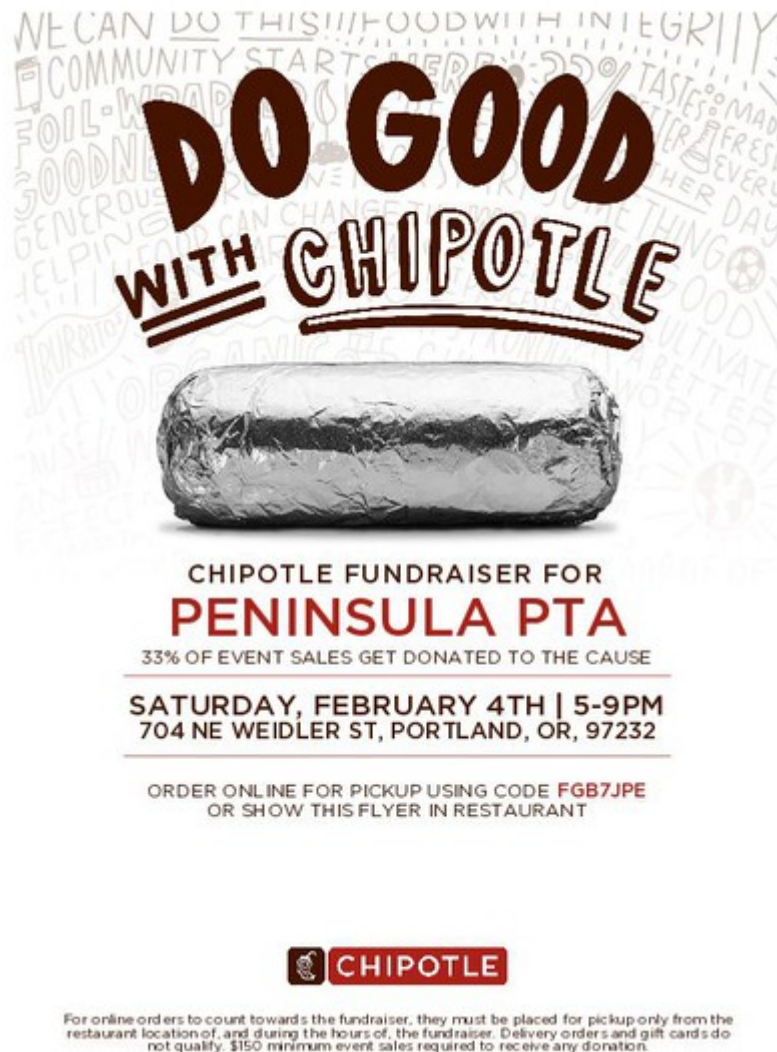

I know drop off and pick up can be frustrating with the bottleneck of traffic we experience. Our goal is to keep students safe as they come and go from school. Please make sure to follow the PBOT traffic route. Do not park next to the intersections on Kilpatrick or Halleck. It's creating a visibility issue that is resulting in unsafe conditions for our students and families.

To help with a calmer arrival, consider parking a block or two away and walking your child in, if you are able. Our student safety patrol is working hard to keep you safe. Please follow their instructions when using crosswalks. If you are interested in volunteering to support our morning or afternoon safety patrol, please reach out to Coach Matt @ mchallender@pps.net. Thanks for helping to keep Peninsula safe!

Update on Logs and Soil

The fill dirt has been moved into the courtyard. Once we've had a stretch of dry days, we will set up a garden day to rake and level the dirt so it is ready for our raised beds and ground cover to complete that portion of our outdoor learning space. The logs are a new favorite at recess. They are slowly finding their way to permanent homes around the campus.
