A Message from Campfire

Our Family Handbook outlines an AM program minimum enrollment of five enrolled students to continue operating AM programs. We have not been able to meet these enrollment numbers since opening in August. Camp Fire has taken a number of steps to try and increase interest and enrollment with no success.

1. Surveyed current Peninsula Camp Fire Families to remind them of the AM program as an option and offer them spaces into program
2. Sent surveys in partnership with district admin through a PPS school listserv/newsletter
3. Discussed potential closures with district admin
4. Messaged current families that this program change may be coming

Camp Fire will be closing the morning program at Peninsula beginning January 3, 2023 due to low enrollment.

If we are able to generate interest within the school year and/or next year, we will work with the school and district to open AM programming again.
