HOW TO ENROLL

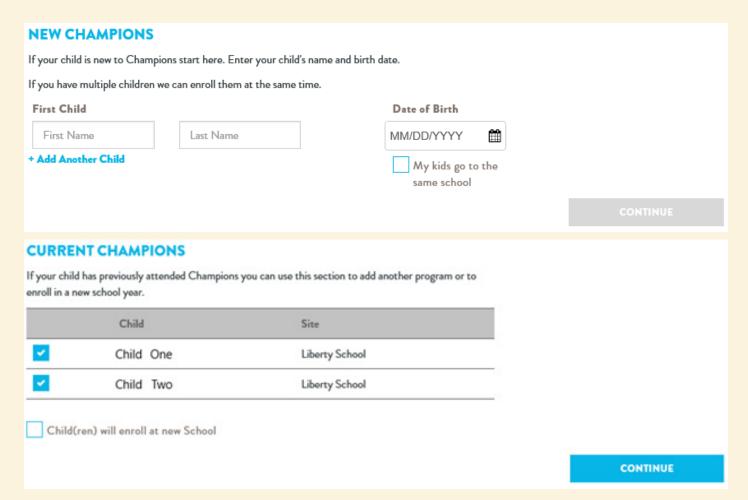

Step-By-Step Guide

We are so excited that you're joining the Champions family! To enroll, please visit www.discoverchampions.com and log into your account. If this is your first time enrolling in a Champions program, you will need to create your account first by clicking on either "My Account" or "Enroll Now" and then "Create Account."

1. From your dashboard, click the "Enroll Now" button.

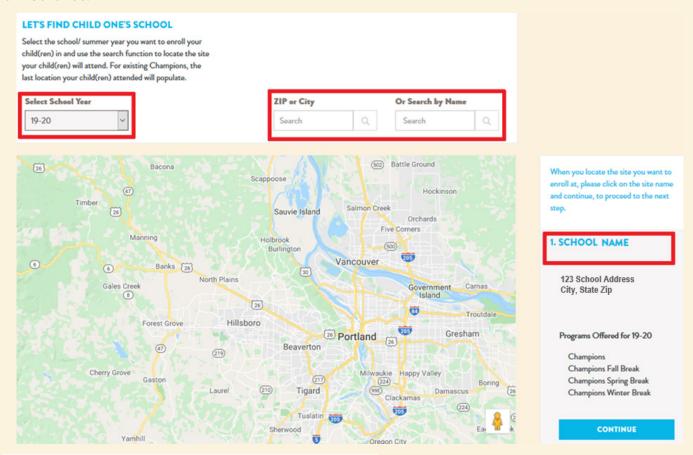

2. First time enrolling? Enter your child's information under the section "New Champions" and click "Continue." Returning family? Select the boxes next to the children you'd like to enroll and click "Continue". Changing schools? Select the box next to "Child(ren) will enroll at new School."

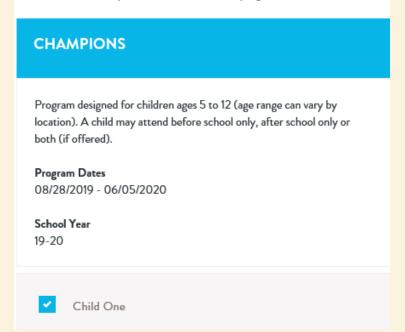

3. Select the program year you'd like from the drop-down menu on the left, then search by zip code or school name to find your location. Click on the name of the school from the options on the bottom or right of the page, and then click "Continue."

PROGRAMS AVAILABLE AT SCHOOL NAME

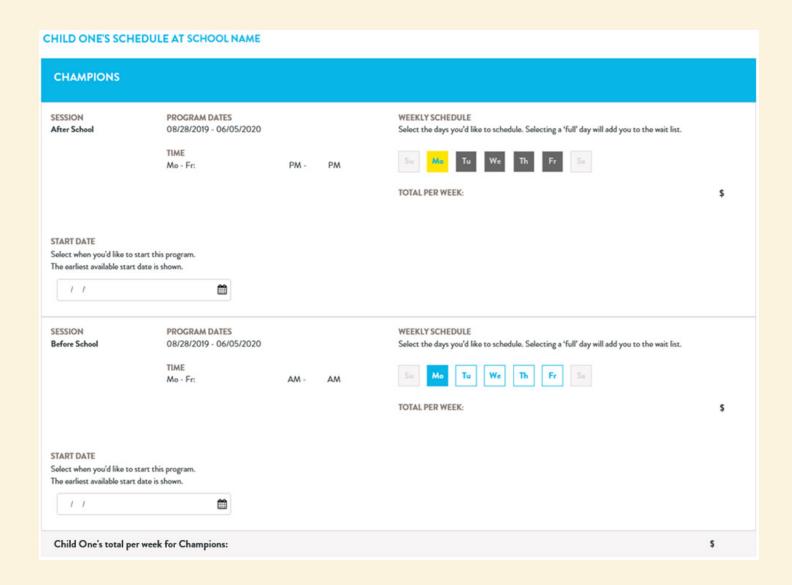

Below are all available programs for the location selected. Select which children you'd like to enroll in each program.

4. Select the programs you'd like for each child.

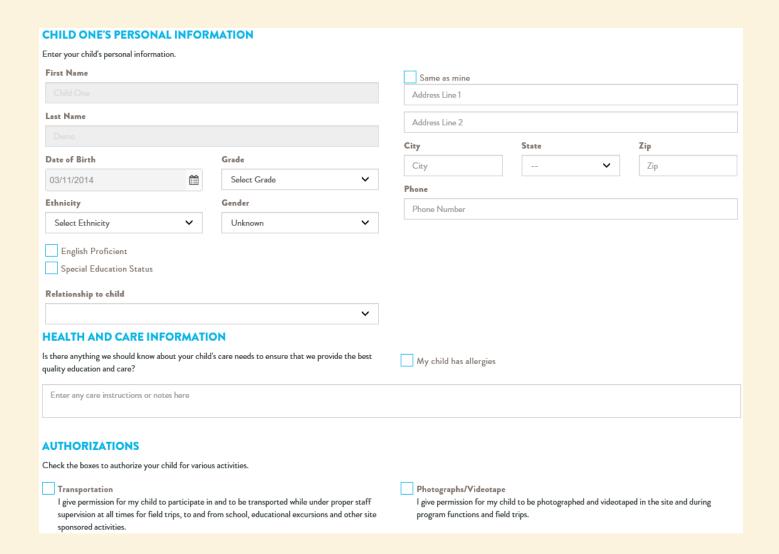

5. Set a recurring schedule for each child and click "Continue." This schedule will auto-populate each week. If your schedule will vary week to week, you can set a blank recurring schedule and then use the custom schedule to add care as needed. If there is a waitlist, you will see a gray box on the day before selecting it. Click the box to be added to the waitlist (it will turn yellow).

6. You can change your schedule week-to-week as needed, but please note that you must make any changes by the Wednesday prior to the week you're scheduled.

7. Ensure your child's information is correct and fully filled out.

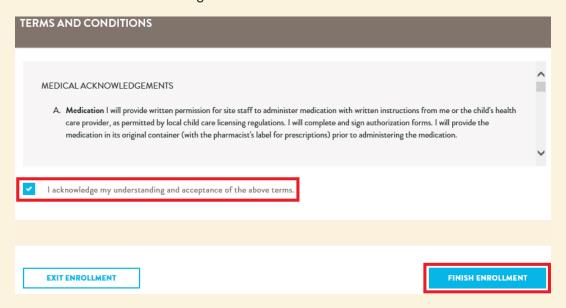

8. Add or confirm at least 3 emergency contacts. You'll need to add a sign in/sign out code for each person. Sign in/sign out codes must be 8-10 alphanumeric digits. We suggest using phone numbers as they fit the requirements and are easily remembered. Enter your contacts' relationships to your child, as well as the order in which you'd like us to call them in case we can't reach you during an emergency.
