

THE NEWS

ROSEWAY HEIGHTS' MISSION IS TO HELP ALL STUDENTS ACHIEVE THEIR POTENTIAL AND BECOME CREATIVE, CONFIDENT AND COMPASSIONATE LIFE-LONG LEARNERS.

Hello Roseway Heights Community,

Last week I was lucky enough to get to participate in our K-2 literacy night. The event, sponsored in part by the PTA was full of fun, books, characters and pizza – and represented what I consider to be the best parts of our educational system. Working together we were able to get over 100 students and their families into our school to learn about reading games, computer-based reading programs, how reading and writing support each other, and have a great time as a community. I am so grateful that we have a teaching team that is so dedicated to the work they give up their own time, and that we have a community that thinks a night together is worth it. There truly is no stopping a committed group of folks working on behalf of each other and on behalf of learning.

On the other side of the spectrum, I have spent the last week pouring over next year's budget – which represents a reduction in the amount of teachers Roseway Heights will have for next year. This reduction is in part the result of under-enrollment in our primary grades coupled with an optimistic projection from last year – which left us with the staffing as if we had 700 students, when in fact we have only 650. This coming year's staffing is a correction for those numbers. My challenge is to ensure that we provide an excellent academic program that addresses the needs of ALL of our students while doing so with less people. As I wrestle with the numbers, I want to assure you all that my process begins with ensuring the core program is met (student to teacher ratio, academic content minutes and enrichments) and then I turn to our Comprehensive Achievement Plan (CAP) which is a document created by the school community to guide our planning. In our case, our Site Council, Building Leadership team and staff have been working on updating the CAP to accurately reflect our priorities – priorities which are viewed through an equity lens consistent with the priorities of the district. So, as I look at next year's staffing, I must consider what positions most support early literacy, multi-tiered supports (academic and behavioral) and school climate.

Please know that as a teacher I was “cut” 3 times due to seniority, and in each case I felt a sense of shame, loss and confusion. I know that some of our staff members are feeling the same unease right now and we all need your support, your kindness and your compassion. There is no easy way to enter a time of uncertainty, but as I said at the start of this year – when we thought we were becoming a middle school next year – we must first focus on the students we have right now, right here. I would ask of this community that we allow the staff members to direct the conversations about who is staying and who is not – and instead of asking, be prepared to listen to those that feel comfortable sharing with you. As always, if you have questions or concerns about the program, please write or talk to me directly. My mantra of “don't talk about me, talk to me” is more important than ever as it also serves to keep the conversations about the budget from being inadvertently hurtful to the folks working hardest on behalf of your kids.

With deepest gratitude and respect for this community,

Jeremy

Hello Roseway Heights Community,

I got couple of bottles of allergy meds in the three short weeks since I was last here. Only used it twice on those two nice days we had.

Did you know there only two PTA meetings left this school year? I suppose we could try to get a meeting in June since extra days were added, but I think we're all gonna give that a hard pass. Anyway, **our next meeting is April 12th at 6:30 pm.** Kid care is provided by the cool people from our SUN program. Also, if next year you're gonna be grownup to a middle schooler, the PTA would love your involvement on the PTA Board as currently it will be VERY k-5 heavy.

I hope your Spring Break is easy.

..... *PANTHER PAWS TO YOU!*

This month we'd like to give a **PANTHER ROAR** to **Katie Van Winkle** for all you do at our school.

Need ideas or inspiration? Help for parents, teachers, or students, is available at: www.sciencebuddies.org

Dear Parents/Guardians of Roseway Heights Scientists,

In order to participate in the science fair, students are encouraged to do an investigation using the **scientific method**. Students should choose a question that can be answered with results from an experiment or investigation of their own design.

The reason we conduct a science fair is to have students practice the scientific method.

To demonstrate that your project is complete, your poster should include the following information:

- **Name, teacher, grade**
- **Title of project**
- **Hypothesis**
- **Material list**
- **Procedure/method**
- **Data**
- **Results/Observations**
- **Conclusion**

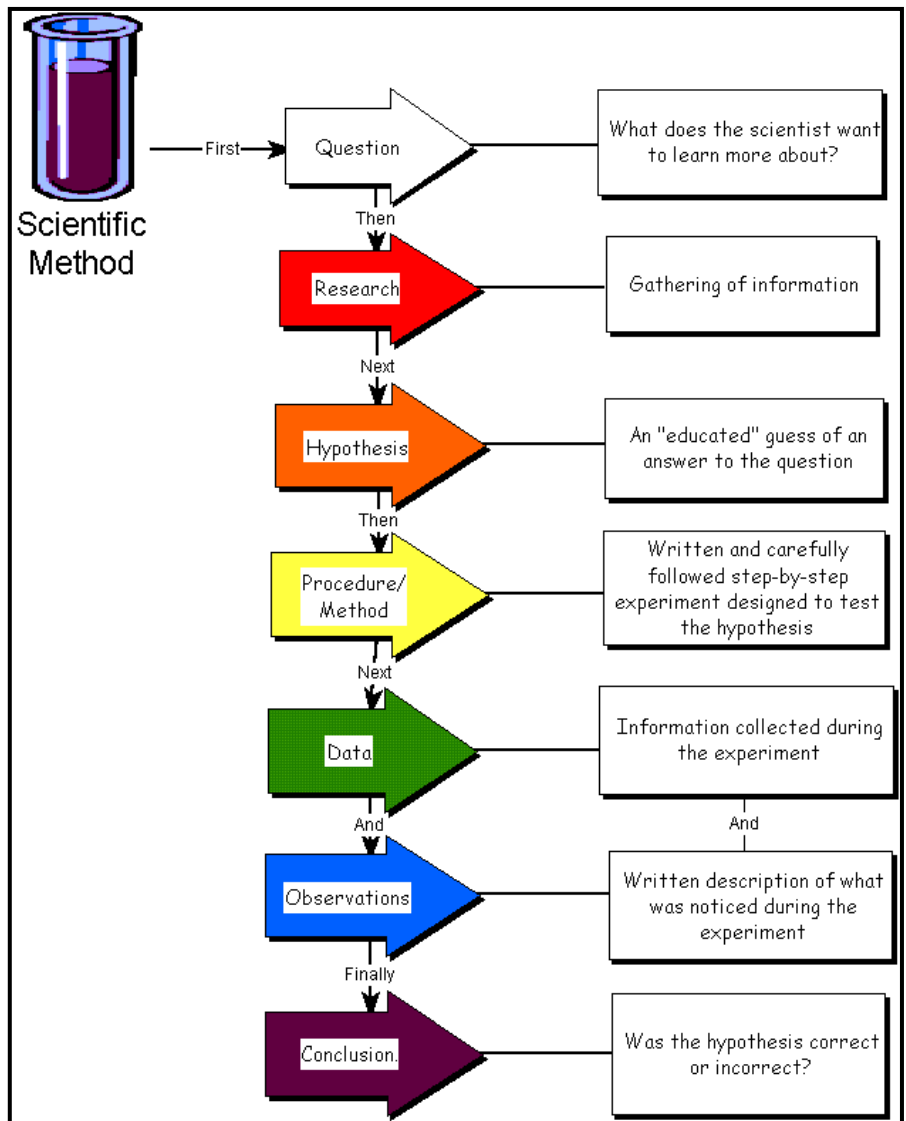

This process is valuable to our students because:

- Real world scientists use the scientific method.
- Understanding the scientific method is a requirement of the State Science Standard.
- By following the scientific method, students use high level thinking skills, even if a project topic may appear simple.

Participation provides students with hands-on experience and an opportunity to present their results verbally and in written form.

Remember to “keep it simple” as you approach helping your child develop a question to investigate.

Note: If your project/experiment has potentially hazardous props or materials (moldy bread, other allergens etc), do not bring them to the fair. Photographs will suffice.

Laurie Vandenburg School Counselor

Happy Spring! The counseling department has been very busy! All of our 8th graders are now forecasted for their high school classes if they are attending Madison. Students who are in the Grant boundary area will be forecasting shortly after spring break along with the students who will be going to Benson. The Benson lottery is very soon and those letters will be arriving for the students who applied.

We were able to take a fantastic group of 8th grade students to the International Young Leaders Conference at Portland State at the end of February. It was a wonderful experience and they learned a lot about leadership style and skills.

The 2nd, 3rd and 4th grade students are learning the SafeTouch curriculum. Please see our webpage which has the links to the lessons: www.rwhcounseling.weebly.com

I am also including a link which shares some powerful information about youth and social media: <https://www.youtube.com/watch?v=FzPwEOvNYss>

The 6th grade is just finishing the Zones of Regulation curriculum where they have been learning about emotional regulation and “tools” that help to regulate these emotions.

Our SOAR (Gay Straight Alliance) group is planning for the National Day of Silence which is on April 21st. Please see this link for further information on this day: www.glsen.org

Please let us know if you have any questions or if we can be of any help.

Madison's Spring Music Concert!

The Madison Music “*Bon Voyage*” concert will be held in the Madison Hibbard Auditorium on **Friday, April 14th at 7:00 pm**. Tickets will be available at the door for \$5. This is your chance to see the performance pieces they will be showcasing on their spring trip to Anaheim, CA, where **they will be performing at Disneyland!** Bake Sale items, Music t-shirts, and Raffle tickets will also be available for purchase. It promises to be a fun-filled evening!

Let's give a warm welcome to Ryan Lanier, who is helping grow the Roseway Heights Walk and Bike to School program. Thanks for helping keep this healthy part of our school community alive and well, Ryan!

Walk and Bike

Walk and Bike Day is always held on the first Friday of every month. Walk, bike, roll, skip, cartwheel or crutch to school Friday, April 7th and enter to win a prize package delivered to your child's classroom.

May is steadily approaching and is the National Walk and Bike Challenge month. So get ready to strap on those helmets and represent our beautiful RWH community while supporting healthy practices and benefiting our environment.

Benefit

This mobile app is replacing Roseway Heights' SCRIP card program, which is a PTA fundraiser that helps offset field trip expenses. It's very easy to use on your smart phone, and all you need are 5 minutes to download and set up your payment options. Here's how it works:

- ① Download the app onto your phone. It's called **Benefit Mobile**. Choose Roseway Heights as the organization you'd like to "benefit" from the purchases you make.
- ② Enter a bank account number. Enter a credit card number. BOTH will earn a percentage for the school, although a bank account yields a higher percentage to the school.
- ③ Buy a gift card. Many of the gift cards you can buy and use right on your phone. Make sure it's not an "online" or "print out" card if you are planning to use it on your phone. It usually says right on the screen how you can use it before you buy it.
- ④ You can have the cashier ring you up and buy a gift card on your phone while you are in line at many stores for close to the exact amount. It makes it easy to not overspend on a card you may only use once.

HERE ARE SOME RETAILERS THAT YOU CAN BUY CARDS FOR: Adidas, Amazon.com, AMC, Barnes & Noble, Bed/Bath/Beyond, Best Buy, Columbia, Foot Locker, Game Stop, Gap, Lowe's, Nike, Nordstrom, Old Navy, Petco, PF Changs, Red Robin, Regal, REI, Safeway, Sears, Sephora, Staples, Starbucks, Target, The Children's Place, The Home Depot, Toys R Us, Walmart and many more. Full list of retailers: benefit-mobile.com

Give your old discs a new spin for a good cause!

Bring any CDs and DVDs you no longer want to the school office! There is a donation box to collect them, where they will live again, to be sold for this year's Roseway Heights Auction. You **know** you have some CDs you never listen to or DVDs you no longer watch! Make room for some news ones while helping a very worthy cause! Thanks! - Frank Gazzo
