Hello Roseway Heights Community,

Finally! Spring is nigh. The cherry trees will blossom in the next few weeks. It will be gorgeous and fierce and pink, just like the hats on a Saturday in January. That beauty of nature also means my oldest will be miserable. Which reminds me – I need to buy some Claritin.

But before the blooming and the sneezing comes, there will be a PTA meeting. It's on **Wednesday, March 8th, 6:30-8:00pm**, though feel free to come in or go out as you need. Childcare will be provided by the kind folks from SUN.

I hope to see you there!

*Hey Smarty, it's time to party! Let's celebrate the 100th day of school.*

**March 1<sup>st</sup> marks the 100<sup>th</sup> day of school at Roseway Heights.** *It's hard to believe that we have already been in school for 100 days. The students have learned and grown so much, as we as a staff have grown and learned from them! Spring break is coming soon, and so is Summer. Please remind your students how important school attendance is, all the way through the end of the year. We can't wait to see what the next 80 days have in store for us!*

**Give your old discs a new spin for a good cause!**

Bring any CDs and DVDs you no longer want to the school office! There is a donation box to collect them, where they will live again, to be sold for this year's Roseway Heights Auction. You **know** you have some CDs you never listen to or DVDs you no longer watch! Make room for some news ones while helping a very worthy cause! Thanks! - Frank Gazzo

# Benefit

This mobile app is replacing Roseway Heights' SCRIP card program, which is a PTA fundraiser that helps offset field trip expenses. It's very easy to use on your smart phone, and all you need are 5 minutes to download and set up your payment options. Here's how it works:

- ① Download the app onto your phone. It's called **Benefit Mobile**. Choose Roseway Heights as the organization you'd like to "benefit" from the purchases you make.
- ② Enter a bank account number. Enter a credit card number. BOTH will earn a percentage for the school, although a bank account yields a higher percentage to the school.
- ③ Buy a gift card. Many of the gift cards you can buy and use right on your phone. Make sure it's not an "online" or "print out" card if you are planning to use it on your phone. It usually says right on the screen how you can use it before you buy it.
- ④ You can have the cashier ring you up and buy a gift card on your phone while you are in line at many stores for close to the exact amount. It makes it easy to not overspend on a card you may only use once.

HERE ARE SOME RETAILERS THAT YOU CAN BUY CARDS FOR: Adidas, Amazon.com, AMC, Barnes & Noble, Bed/Bath/Beyond, Best Buy, Columbia, Foot Locker, Game Stop, Gap, Lowe's, Nike, Nordstrom, Old Navy, Petco, PF Changs, Red Robin, Regal, REI, Safeway, Sears, Sephora, Staples, Starbucks, Target, The Children's Place, The Home Depot, Toys R Us, Walmart and many more.
