NEW: FLAVOR TOWN CLUB MEETING, 3:30PM, ROOM 26

FRIDAY, NOVEMBER 6

NEW: COLLEGE ADMISSIONS TESTING WORKSHOP, 9:35-10:39 (TUTOR TIME), CHOIR ROOM

Confused about the new SAT? Wondering what tests to take? Which tests are the hardest? How scores are different? What colleges want? Parents and students are invited to join the Wilson Counseling Department and Rob Smith of Kaplan Test Preparation for this timely workshop. They will address all of these questions and more!

Mark your calendar for practice tests! A practice test for the ACT will be offered on January 25, 2016 (a teacher planning day so no school for students), and one for the new SAT is scheduled for April 8, 2016 (another day when students have no classes). All Juniors take the ACT on March 15 (administered by PPS free of charge); the new SAT replaces the old version beginning with tests administered in May.

We hope with this preparation and practice many students will be “One and Done.” Test once, score well, and be done with testing. Give yourself the best chance possible!

IMMUNIZATION UPDATE—NON-MEDICAL EXEMPTIONS

Recent legislation resulting from Senate Bill 895 has resulted in changes to the requirements for non-medical exemptions, formerly known as religious exemptions. Parents of students who claimed a religious exemption status prior to March 1, 2014, and who wish to continue with an exemption, are now required to obtain a medical exemption or a Vaccine Education Certificate (after receiving the required education about immunizations from a health care practitioner or after watching the online vaccine education module). Parents should also complete a new Certificate of Immunization Status form, and mark the vaccines for which they would like an exemption in the exemption section. Forms should be returned to the school nurse. For more information, contact Wilson school nurse Kym Guadalupe at 503-916-5369 or go to www.healthoregon.org/vaccineexemption.

HOST AN ITALIAN STUDENT—YOUR CHILD WILL BE INVITED TO ITALY!

Ergon Student Exchange is looking for families to host a 16-17 year old Italian student. Current Wilson Italian students

Umberto, Chiara and Sonia have started their new life at Wilson HS and are enjoying it greatly and Ergon would love to give the same opportunity to other Italian students for next spring semester or school year. Ergon program offers a genuine cross-cultural opportunity: the Italian families offer American exchange students a direct exposure to Italian culture through an all-expenses paid summer vacation in Italy, including airfare sponsored by Ergon. Ergon relies on a rigorous selection process ensuring that students are academically strong, responsible, and proficient in English and devotes great care to matching students with host families. Students are fully insured and arrive with pocket money for all expenses, including recreation activities and vacations. Current and past Portland host families are happy to share their experience with you. To learn more, email Portland coordinator Bahar Sadeghi at bahar.sadeghi@ergon-se.org and visit their website at www.ergon-se.org.

HOST FAMILY NEEDED FOR CURRENT WILSON SCHOLARSHIP STUDENT FROM BALI

She is a well adjusted A-student who enjoys cooking, dance, singing, math, outdoors, and family activities. Due to a host family medical emergency we need to move her to a new home in the next month. A host family provides a bed, meals and shared family activities. She comes with her own health insurance, school fees and spending money. She is cheerful, active, knows the bus system, and is a delight to have around. For more information call Mimi Sanders, Coordinator, Program of Academic Exchange :(503) 293-6195, mimisandersart@hotmail.com.

THE ROTARY CLUB YOUTH EXCHANGE STILL LOOKING FOR HOST FAMILIES FOR 2015/2016 SCHOOL YEAR

Rotary exchange students stay with three different families over the school year so the host family commitment is for about 3.5 months. This is a wonderful way to learn about another culture and to share your home and family, as well as your activities and traditions with a student from another country. Exchange students are at Wilson High School for the entire school year so we are looking for families that live in the Wilson area. Host families can be people with students at Wilson, people with younger kids in the Wilson area, people who have older kids no longer living at home, retirees, etc. Host families provide a room for the student, and share meals, family activities, chores and fun with the exchange student. This can be an incredible learning experience and lead to a lifelong friendship. For more information please call Delanie Paasche at 503-246-5009 or email delaniedelimont@gmail.com.
