WILSON STUDENTS MAKE PROFOUND CHORAL STATEMENT

Steve Peter, Wilson Choirs director, is proud to announce that Wilson High School's concert choir, Wilsingers came in tenth place at the 2010 State Choir Championships on Saturday, May 8 at George Fox University. Performing along with 23 other 6A schools, Wilsingers made a substantial jump in their standings from 2009. "Last May, the 25-voice Wilsingers also performed beautifully," adds Steve. "But this year, with our 58-singers, they were able to make a much more profound choral statement. Congratulations to everyone for their fine and expressive work!" Congratulations also go out to our dedicated parents and to the amazing Jeanne Berg (Robert Gray) and Melinda Murdock (Jackson) choir teachers for providing our students with positive choral experiences in middle school. Most importantly, thank you Steve Peter! You will be missed.

WILSON STUDENTS TO DISCUSS SUBSTANCE ABUSE AT TOWN HALL MEETING, MONDAY, MAY 17 from 7 to 9 pm

Please join the Wilson student group P.A.C.T. (Positive Action Concerning Teens), C.A.R.S.A (Community Action to Reduce Substance Abuse) and the Oregon Partnership at a Town Hall meeting on Monday, May 17 from 7 to 9 pm at the Saint Barnabas Church (2201 SW Vermont St.). Topics to be discussed include underage drinking, marijuana abuse, social hosting and Minor in Possession enforcement and consequences. This event is part of the Multnomah County Underage Drinking Pilot Project. This project engages students at Wilson to assess their community and execute a youth-led positive social norms media campaign that counters common misperceptions that lead to underage drinking and drug use. P.A.C.T (Positive Action Concerning Teens) is the satellite team at Wilson High School. Youth members have been meeting every week since December 2009 working on team-building skills, collecting data from fellow students and becoming student experts on local alcohol and drug issues. Hear information, learn more, discuss with community members and civic leaders, speak out. At the Town Hall our youth and their parents will be joined by community members from our local schools, neighborhoods, and businesses to discuss challenges and solutions surrounding underage substance use. P.A.C.T members are excited to share their research and survey results with you. We hope you will join us for this important evening focusing on the community's responsibility to create policies that maintain a healthy and safe environment. Help be a part of the solution!

WILSON MATH TEACHER RECEIVES TWO GRANTS

According to PPS, **Chris Bartlo**, math teacher at Wilson High School, has landed two grants that will benefit students in his classrooms. The James F. & Marion L. Miller Foundation awarded Chris \$4,900 to build a resource library for math, statistics and computer science at Wilson. Then private donors, through the online Donors Choose program, awarded Chris \$840 to purchase a document camera for his classroom. Chris said that the document camera, by Avermedia, has been an invaluable tool for him and his students and is used on a daily basis. Chris wrote the Donors Choose grant with a focus on using technology to help provide differentiated instruction and to allow students an opportunity to share work with each other. Chris' ambitions for funding continue. His next grant target is to get a Smartboard for his classroom, which he says will be useful in teaching "hands on" topics like geometry and systems dynamics. Chris is a first-year mathematics teacher hired to teach classes in system dynamics and computer modeling, in addition to other advanced mathematics courses. He graduated with a degree in science technology and society and mathematics from Pomona College and has a master's in systems science from Portland State University. He worked as a systems test engineer for International Game Technology and as a software developer for PSU before going into teaching. "We're lucky to have Chris here," said Wilson Principal Sue Brent. "His creativity and energy are serving his students and all of us at Wilson."

1962 GRAD STILL PLAYING BASKETBALL

Karl Wustrack '62 played basketball and was on the cross/country and track teams while at Wilson. After he graduated from high school, Karl attended Stanford University and Yale University School of Medicine. He completed his general surgery residency at OHSU followed by a plastic surgery fellowship at UCLA. After returning to Portland, Karl began his plastic surgery practice and is still practicing in West Linn. Following his successes while at Wilson, Karl was inducted into the WWHS Sports Hall of Fame for Basketball and Cross-Country in 2008. He continues to stay active, playing masters basketball. Dr. Wustrack fondly remembers his teachers at Wilson. He tells us that "Troy Horton was maybe the best for getting us to think." But surprisingly, Al Ludviksen in wood shop was his favorite. Today, one of his passions is furniture making, "and it all started at Wilson, despite the councilors telling me I should take public speaking, etc," adds Karl. He also remembers his Physics teacher, Norm Sipple and Dorothy Sawyer and Brigitte DeWolfe in German. Words of advice for current Wilson students ... "just follow your interests, or as they say now "passion" -- you can do it a lot longer than you think!"

URGENT MEETING TO TALK ABOUT FUTURE OF STRINGS PROGRAM IN OUR CLUSTER, MAY 18

Unfortunately, Wilson had to move their Chamber Orchestra off-campus to Rieke for the remainder of the year. "There are multiple reasons for the change of venue," states Maude Lamont, Wilson Vice Principal. "We'd like to have an opportunity to explain the issue and discuss possible solutions for future years." They are inviting those impacted by this year's change and those interested in the future of a strings program in our cluster, to please join them on **Tuesday, May 18 @ 7:00pm in the Wilson High School Faculty Lounge**. WAAC hopes to see you on May 18, to help save the strings program in our cluster. Watch this video, then let's stand up, show up and act now to keep music alive in the Wilson cluster: <http://www.youtube.com/watch?v=BjP7Z3OoFvY&feature=related>

DRAMA STUDENTS DEBUT NEW WORK, May 20, 21, 22 ... LAST CHANCE

Wilson High School Drama Department performs a one-of-a-kind theatrical offering: award-winning playwright Matthew B. Zrebski's *Handprint Alley*. This new play, featuring original music, tells the story of the mysterious disappearance of five teenagers ten years prior and the effect the resulting mythology has had on the lives of others. With a combination of traditional playwriting, poignant music, simple sets and striking technical elements, 'Handprint Alley' promises to both excite and humble; to provoke thought and to entertain in equal measure. Handprint Alley runs at Wilson High School's Cosgrove Auditorium May 20, 21, & 22 at 7:00pm. Tickets are available at the door: \$10 general admission/\$8 students and PPS staff. For more information, visit the 'Handprint Alley' blog at: <http://wilsondramahandprint.blogspot.com/2010/04/from-producer.html>, contact Director/Playwright Matthew B. Zrebski at m.zrebski.handprint@gmail.com, or Director of Theatre, Jamie M. Miller at trojantheatredirector@gmail.com. ATTENTION PARENTS

It's the time of year when Seniors need to start **resolving their library and textbook fines**. We recently sent notices home for students with large fines or books out from previous school years. Seniors do need to have all fines and fees taken care of in order to purchase Prom tickets, and later they will need to have all books turned in to receive their graduation tickets. Please help your students resolve any outstanding issues before we reach those last few weeks of school. If your student is not a senior, he or she still needs to resolve all library and textbook fines before the end of the school year. Textbook turn-in will coincide with locker clean-out and the end of finals, but students can turn in textbooks they do not need at any time. Thank you, Linda Campillo, Wilson Librarian/Media Specialist

LAST CALL FOR CLOTHING DONATIONS THIS SCHOOL YEAR!

We'll be collecting donations for the PTA Clothing Center through May. The Center is closed during most of the summer but opens again in late August to provide clothing to kids for the 2010-2011 school year. The back-to-school rush is the Center's busiest season and now is the time of year when we collect and process clothes for the Fall. With the downturn in the economy, the number of children requesting clothing from the Center is way up. Help brighten students' start of next school year by donating gently used clothes and shoes now! Supplies like backpacks and umbrellas are also needed. The Center provides free clothing to students in need within the Portland Public school district. It is entirely volunteer-run and dependent on donations. There is a labeled white bin in the main office where you or your kids can drop clothes anytime the office is open. Tax receipt donation forms and applications for obtaining clothes from the Center are available from the office staff. Questions? Call Mari Vandewettering, 503-464-7899.
